

**Curriculum, Instruction, and Assessment
Board Agenda
Wednesday, September 24, 2025**

Professional Learning

-I had the opportunity to attend New Horizon's Autism Conference on 9/19 with Mrs. Smith. Temple Grandin was the headline speaker. This was one of the more inspiring professional developments I've had the opportunity to attend during my career.

Administrative

- School Report Card data is due to the state by October 1st.
- School data quality control day is currently scheduled for October 23rd. Accountability data is scheduled to be released to be public in mid to late November.
- The first in a series of monthly meetings with my counterparts from Bellevue and Ludlow will occur on 9/26.
- Preliminary work on the CSIPs and CDIP has begun.

Assessment

- 20 underclass students will be taking the October SAT at NKU on 10/4. Thank you to Mr. Volpenhein for his work on this and to Mr. Haskamp for arranging transportation.
- The statewide protest of the procurement procedure of the SAT is ongoing but we are working under the impression that the Spring Junior SAT will be moving forward.
- KSA data has been shared with the appropriate staff at Lincoln and DHS. Data is currently embargoed.
