JEFFERSON COUNTY BOARD OF EDUCATION

September 2, 2025

AGENDA ITEM: ACCEPTANCE OF FUNDING FROM THE EDUCATION & WORKFORCE DEVELOPMENT CABINET, KENTUCKY ADULT EDUCATION [KYAE]

RECOMMENDATION: Superintendent Dr. Bryan Yearwood recommends that the Board of Education accept the funding amendment from the Education & Workforce Development Cabinet, [KYAE] increasing the amount by \$145,086.00, and authorize the superintendent to sign the attached agreement.

RATIONALE: Adult and Continuing Education will use the funds to continue providing adult learners with literacy, adult basic education, GED preparation, Family Education, English as a Second Language, transitions to postsecondary education, Corrections, and Workforce Services.

Approximately 42,000 working-age adults in Jefferson County lack a high school diploma and nearly one-fourth of these adults have functional literacy skills below a sixth-grade level. Many of these adults are parents and caregivers for JCPS students.

This program aligns with district strategies by providing parents and community members with the quality academic instruction needed for them to obtain a GED and become contributing members of the community. No matching funds are required.

Dear Kentucky Adult Education (KYAE) Fiscal Agent and Program Director,

With recent funding developments, we would like to provide the most current award information to help you plan for Fiscal Year 2026. The Core Service funding formula allocation for Fiscal Year 2026 (FY26) is based on the educational needs of your service area, as calculated by the U.S. Census Bureau in the American Community Survey (ACS) data (five-year average), and the availability of state and federal funds. The current budget information contained in the table below is for your service area for FY26 and awarded based on ACS data and available funds. While the Core Service award amount has not changed from your signed and executed contract for FY26, the distribution between state and federal funds has changed, so your contract will be modified to reflect this change.

Supplemental funding, separate from Core Service funding and dependent upon availability of funds, may be awarded using the most current American Community Survey (ACS) data (five-year average) to calculate the award amounts per Fiscal Agent, in a manner consistent with Core Service allocations. Funding has become available to provide supplemental funds for FY26 only. The inclusion of supplemental funding will require a modification to your contract after July 1. Such funding in FY26 should not be construed as a guaranteed funding source beyond FY26. For that reason, we highly suggest that supplemental funding not be used for salaries because of the temporary nature of the funding source.

Once the [KYAE Finance Module](#) is available for FY26, Fiscal Agents will be able to set up their FY26 regional budgets. As a reminder, a maximum of 30% (5% federal, 25% state) of the core services grant funding may be used for administrative and operational purposes. Operational funds may not exceed 5% of the 30%. All providers should adhere to their FY26 contract and the updated (throughout the year) KYAE Program Manual for compliance in finance and other matters.

NOTE: Federal funds (CFDA 84.002A) are made available from the Office of Career, Technical, and Adult Education -US Department of Education under the Uniform Guidance Regulations and are passed through under Federal Award Number (FAIN) including but not limited to V002A230017 (\$9,984,876) and/or V002A240017 (\$9,546,936) and DUNS# 161181144 (Awarded July 1, 2023, July 1, 2024) UEI#JMM1JDK121H7. Additional FAINs will be included in contract modifications in July if applicable.
