RE: Professional Coaching Services for Governor's Scholars Program (GSP)

The attached renewal agreement outlines continued support for our high school counselors, GSP student applicants, and their families. This service includes informational sessions, small group assistance, and one-on-one application support. Before last year, we observed a decline in both the number and quality of applications. However, with the aid of this service, we achieved a notable success rate last year with double applicants being submitted for program submission. The total cost for the renewal agreement is \$12,000, which will be funded through the Student Learning and the Gifted and Talented Budget. This agreement has been reviewed by Dinsmore & Shohl, LLP. Approval is requested for the attached MOA services and Bullitt County Public Schools.
