Meetings will be held this year on the second Tuesday of each month in the Elementary Conference starting at 3pm

See Attachment for October's Agenda

### **Academics/Instruction**

- We just finished our first grading period. Report Cards will go out within the week for our Elementary School. We are excited about the growth all our students have shown in this first grading window.
- We are looking forward to seeing our 24-25 school year state testing results, which we should be receiving this month so we can decipher that data to be used effectively in our teacher planning and instructional pushes.
- Teachers have continued to have team meetings / PLCs with Mr. Poynter on instruction and structure of the instruction. This will all be a work in progress throughout the year as we work on Learning Targets and Success Criteria for each grade level.

### **Staff Recognition**

- The Elementary School celebrated all our staff with a competitive game of The Price is Right the Friday before Fall Break started. All students were in attendance to support their teachers. Many staff won prizes, and it was incredible watching our students support and cheer on all the staff.
- Shoutout to our new Librarian Mrs. Sarah Rose. Mrs. Rose has many years of experience in Library Science in Estill County Schools. Her first day was October 13<sup>th</sup> and she is excited to revamp the program for our students and is full of energy and motivated for the challenge here at Bere
- Shoutout to our Access Team for organizing such a successful day of self-care for our staff on our past Professional Development Day.

### **Student Recognition**

- We celebrated with over 20 students the week before Fall Break for nominations from teachers from displaying acts of kindness. We will continue to acknowledge our students and our displays of kindness within our school.
- We recognized our weekly PBIS recognition for our students that displayed Safe, Responsible and Respectful habits. Within these recognitions we have also incorporated weekly attendance drawings for our elementary school.
- October 17<sup>th</sup> is our first Treasure Day Celebration for all to close out our first grading period. All students will be able to participate as all students have earned many points / coins for their rewards.

### **Volunteer Recognition**

- Our Volunteer outreach for our Pirate Day Celebration needs to be recognized as we had several parents come to support and supervise the day. We also have several parents that have also inquired about helping with our future Fall Festival in November and during our Treasure Days.

### **Finances**

- All Financial accounts are in good standing.
