RE: Henderson County Salary Schedule Amendment Request

Please consider this request to amend the 2025-26 Henderson County Schools Salary Schedule with the following:

- Add a North Middle School Agricultural \$5000 Supplement.
  - For the 2025-26 school year, North Middle School was given a teaching allocation of 34.5 teachers. 34 teachers were hired, including a new agriculture position approved by the SBDM council. With the remaining monies, NMS is requesting the stipend be used to cover the extra duties and days outside of the contract incurred by this position.

Thank you for your consideration of this request.
