Re: 2025-2026 Bus Purchases

Members of the Board & Dr. Lawson

I am requesting the approval for the purchase of four (4) busses for the Henderson County School System. These busses will be used to ensure the safe and efficient transporting of the students of Henderson County. They will be purchased off of the State of Kentucky bid sheet. The State Department of Pupil Transportation has not released pricing for the 2025-2026 purchasing year. To not further delay the ordering and procurement process I am asking the Board to approve the purchases so that they may be entered in a timely manner when the pricing and ordering system is made available to districts. HCS Transportation, in conjunction with Dr. Lawson and Mr. Stokes, will make the safest & most financially sound decision when determining make, model, and needed equipment for the students of Henderson County.

The busses meet or exceed the safety and regulation standards of The State of Kentucky, Department of Education Pupil Transportation.

Thank you for your consideration,

Wes Alexander
Director of Transportation
