Action Question:

Should the EPSB approve the Master of Arts in Teaching Moderate to Severe Disabilities program submitted by Campbellsville University?

History/Background:

Existing Policy: KRS 161.028 and KRS 161.030 require the EPSB to establish curricula for educator preparation programs in Kentucky and approve such programs for Educator Preparation Providers. The Educator Preparation Branch and the Program Review Committee evaluated the program review documents submitted for approval against performance-based program certification guidelines established by the EPSB. The program proposal meets all the requirements set forth by the EPSB.

Summary: Campbellsville University is seeking approval for Master of Arts in Teaching Moderate to Severe Disabilities program offered through the Traditional and Option 6 Route. These programs provide bachelor's degree holders with pathways to teacher certification. The Traditional and Option 6 Route programs provide a pathway for qualified candidates to complete the requirements for licensure, for both candidates interested in starting their teaching careers immediately and those who wish to complete the degree before seeking a position. This will help to address the shortage of teachers for students with Moderate to Severe Disabilities in Kentucky.

Budget Impact: There is no budgetary impact.
