

KENTUCKY DEPARTMENT OF EDUCATION

STAFF NOTE

Action Item:

Eastern Kentucky University: Approval of Programs

Staff Recommendation:

The Education Professional Standards Board (EPSB) should accept the recommendations from the Accreditation Audit Committee (AAC) to approve the initial and advanced level preparation programs at Eastern Kentucky University.

Rationale:

16 KAR 5:010 outlines the role and responsibilities of the AAC. The AAC has followed the regulatory procedures.

Action Question:

Should the EPSB grant the Education Preparation Provider (EPP) approval for the initial and advanced preparation programs at Eastern Kentucky University?

Applicable Statute or Regulation:

KRS 161.028; 16 KAR 5:010

History/Background:

Existing Policy: 16 KAR 5:010 identifies the requirements and processes for EPPs to demonstrate evidence of meeting standards for accreditation and program approval. EPPs may pursue state accreditation or national accreditation from an EPSB approved accreditor. The EPSB has approved the Association for Advancing Quality in Educator Preparation (AAQEP) and the Council for the Accreditation of Educator Preparation (CAEP) as national accreditors for EPPs. An EPP that seeks national accreditation is not required to also go through state accreditation, but all educator preparation programs leading to certification or rank change must be reviewed and approved by the EPSB.

Summary: A CAEP Site Visitors team conducted the virtual site visit evaluation of the EPP on October 28-31, 2024.

Under CAEP guidelines, the site visitors make recommendations on Areas for Improvement (AFI) and do not recommend status on standards met or not met. The CAEP Accreditation Council, upon reviewing the accreditation materials and AFIs/Stipulations will determine if standards were met or not met and will award or not award accreditation.

CAEP ACCREDITATION COUNCIL RECOMMENDATION:

ACCREDITATION AUDIT COMMITTEE RECOMMENDATIONS:

On June 9, 2025, the AAC met and reviewed the initial and advanced programs for Eastern Kentucky University. 16 KAR 5:010 requires EPPs to submit each of its program review documents for review prior to its on-site accreditation visit. Eastern Kentucky University submitted their programs and received written notification of the results of the program review.

Pursuant to 16 KAR 5:010, the AAC recommends: Approval of the initial and advanced level educator preparation programs at Eastern Kentucky University.

Budget Impact: Kentucky Department of Education resources (staff) to facilitate the review and accreditation processes.
