Community Use of School Facilities

INTRODUCTION

The Board of Education has established guidelines for the Community Use of School Facilities. The policies and procedures explain, in detail, the application process and responsibilities of the requesting user, school and the Board of Education.

It is important that everyone is familiar with and adheres to these policies and guidelines regarding the application process. To assist, we have created a packet that includes all the related policies, procedures, guidelines, tips, and forms as listed below.

In order to receive permission to utilize a Bullitt County Public Schools Facility, you must read and agree to the terms in our [Community Use of Schools packet](#). Please review this information in its entirety before continuing with this request.

When facilities are to be used for non-school activities and/or activities not for the benefit of the school district, a certificate of general liability insurance naming the school board members, school employees, and school district as additional insureds shall be provided. Minimum single limit coverage \$1,000,000.00.

The certificate of liability insurance must name Bullitt County Public Schools as additional insured under the policy for the activity. Insurance companies should enter this at the bottom under "Certificate Holder."

The insurance policy needs to list Bullitt County Public Schools as additional insured on all casualty policies on a primary/noncontributory basis. This can be added as an "Other Insurance Condition" that supersedes any provision to the contrary. A Primary and Noncontributory endorsement states that the group's insurance is primary and will not seek contribution from any other insurance available to an additional insured under the provided policy.

Per policy [Procedure 05.3 AP.1](#), Priority Level I groups may not require proof of insurance. Priority groups II, III, and IV must include proof of liability insurance. If this is applicable, please upload the appropriate paperwork below.
