

October 14, 2025

Dear Friend of NMES,

My name is \_\_\_\_\_ and I am in \_\_\_\_\_ at North Middletown Elementary School. I love being in our music and drama performances! We perform for our families and community many times every year, and it's one of the most exciting things we do at school.

### We Need Your Help to Keep Our Friends Safe!

Right now, we are trying to raise money to buy new performance risers. Risers are the big steps we stand on so everyone can see us when we perform.

The risers we use now are very old and dangerous. They have been used for a long time, and some of the legs are broken or rusty. We've had a few scary moments where the risers have actually fallen over while students were standing on them! Luckily, no one has been seriously hurt yet, but our teachers say they are too dangerous to keep using.

We need to raise \$5500 to buy new, safe risers so we can continue to perform without worrying about falling down.

### Will You Help Us Reach Our Goal?

Every performance we do brings our school and community together. When you donate, you aren't just buying metal steps—you are helping to keep me and my friends safe and making sure our performances can continue for years to come.

Would you consider donating to help us buy new, safe risers? Any donation, large or small is appreciated! Every dollar counts! Please donate whatever you feel comfortable with!

You can donate by sending a check to the address below, sending money to the PTA Venmo or dropping off cash at the school office.

Thank you so much for taking the time to read my letter. I hope to see you at our next performance, standing safely on our brand-new risers!

Sincerely,

North Middletown Elementary School
