Dr. Lawson and Henderson County Board of Education:

Personnel:

Wes Fehrenbacher has been hired as the new Track & Field coach. He has been the throws coach for the past 8 years, as well as an alumnus of HCHS. He is a USA Track and Field Level 1 coach as well as an official. We are proud to hire a Colonel to reform the program to the historic program it once was.

Facilities:

Huge shout-out to both sides of our Maintenance Department. We have been fortunate for the support and effort given to our requests.

Soccer fields are amazing with new Safety nets installed before we hosted the 2nd Regional tournament.

The new AMP and Speaker at the Football Venue have been tremendous. We are waiting for another bracket before the vendor returns to tweak and install the speakers on the Visitor side.

Sports Information:

Fall sports are winding down, and winter is just getting started.

The football team has played 7 games and is currently in district play. John Elliot has us with a record of 4-3.

The volleyball team is preparing for the postseason. The district tournament is at Webster County tonight, with regionals the following week.

The JV team won the inaugural 2nd Region JV tournament, which Coach Harris designed and hosted. We have lots of young talent. We have had great community support for our team.

The Girls' golf team finished the year strong with a second-place finish at the Regional Tournament. This meant the entire team advanced to the first round of state two years in a row. Their season ended at that stage with Meryl Grogan advancing to the state tournament. She finished 40

The Boys golf team competed in a very difficult Regional tournament that took 2nd place, qualifying for the 1st round of the state tournament.

The boys' soccer team

10 Wins - 10 Losses on the season

17th Straight 6th District Championship and 22st in program history

Multiple players on All-District, All-Region

The girls' soccer team has finished the season in the first round of the region tournament with a record on the year of 13-9. This is the 14th consecutive district championship & 25th in program history.

The cross country teams are complete with the season races and preparing for the regional meet on the 25th. The boys have been in the top half in almost every meet. The girls are rebuilding the numbers within the program.

Respectfully Submitted,

Nathan Grace

HCHS Director of Athletics and Activities
