

Assistant Superintendent Report October 2025

Curriculum, Instruction, Assessment

- Our district was featured in the ***Bellevue Community News*** for our ongoing work with a Guaranteed and Viable Curriculum and the dedicated collaboration of our teachers.
- I participated in Learning Walks @ GES with Ms. Roth, Dr. Short, Mr. Forshey, and Ms. Teegarden. This was time well spent observing classrooms and calibrating on the Instructional Practice Guide.
- I will be attending the annual **KAAC Assessment Conference** at the end of this month. I am excited to learn from other DACs across the state and to hear more about the local accountability model.
- Sara and I had facilitated our first **New to the Vue** session on September 25. We will continue to meet once every 9 weeks.

MTSS

- We held our 1st district level MTSS meeting on October 1. This team consists of district and school leaders. We reviewed academic, behavioral, social emotional, attendance, and family engagement data.
 - As a result of this meeting, we determined to post a vacancy for the Mental Health Position (@ GES).
 - Our next meeting is December 10.
- The Academic MTSS, BASE Team, PLCs, and Family Engagement meetings continue to occur on their regular schedule.
 - Academic MTSS (every 7 weeks)
 - BASE Team (monthly - Tier 3 biweekly)
 - PLCs (weekly)
 - Family Engagement (quarterly)

Upcoming Focus Areas

- With the official transition from ACT to SAT, I've been working very closely with Mr. Spicher and Ms. Paff to ensure our teachers and students are prepared.
 - Ms. Paff, Mr. Pelgen, and I will attend our first training session on November 6 @ NKCES.
- We are continuing to monitor the rollout of new curriculum adoptions and pacing guide implementation.
- I am also excited to begin a new professional learning cohort for aspiring superintendents. This is facilitated by KASS and will consist of virtual and in person learning sessions.
- I will continue collaborating with both principals as we move into CSIP/CDIP: Phase Two.
