RE: Supporting Red Ribbon Week

To Whom It May Concern:

Enclosed is a donation in the amount of \$1,750.00 to support Red Ribbon Week, which inspires our kids to "Be Drug-Free." Our donation should be allocated among the Powell County schools as follows:

Powell County High School – \$500
Powell County Middle School – \$500
Clay City Elementary – \$250
Bowen Elementary – \$250
Stanton Elementary – \$250

Red Ribbon Week, taking place from October 23rd through 31st, serves as a catalyst to mobilize communities, educate youth, and encourage participation in drug prevention activities. This contribution aligns with our mission and our Community Health Needs Assessment (CHNA) priority of addressing Substance Use Disorder. This activity is consistent with, and supportive of, our mission by providing needed support programs and community education.

We appreciate the role the Powell County Board of Education plays in our community and are happy to support its efforts to improve the lives of those that live in Powell and surrounding counties.

Respectfully,

Trena Stocker
