SUBJECT: Approval to Request Proposals to Conduct Annual Audit

DATE: February 2, 2011

The CPA firm of Kem, Duguid & Associates, PSC has conducted the annual financial audit of the Christian County Schools for the past four years.

It is the recommendation of the Kentucky Department of Education that school districts change audit firms periodically to get a new perspective on our finances.

We are requesting approval of the Board to develop a "Request for Proposals" and bring a recommendation to the Board at the March meeting for an audit firm for the audit of the FY2010-2011 financial records of the Christian County Board of Education.
