Dear HCS School Board Members,

North Park Elementary School students, families, faculty and staff have submitted names for consideration for the new school that will replace our current North Park building. It was definitely a resounding theme that *North, Park or Trojan*, be included in the name in honor of the heritage of the former Parkway Elementary and current North Park reputation. An overwhelming majority of community members and staff members desire to keep the name the same. After input from all parties, staff members voted on a narrowed down list. The SBDM Council met on Tuesday, October 14th in a special-called meeting. They considered all the input and discussed the choices, ranking them in order of preference.

On behalf of the SBDM Council of the current North Park Elementary, we would like to submit the following names, for your consideration: (in order of preference):

- 1. North Park Elementary**
- 2. Trojan Academy**
- 3. Northside Elementary**

Mascot choice: Trojans, bee motif (continuing from NPES and fitting with a nature theme)

Colors: Royal blue and white (NHHS colors)

We trust our Board of Education to choose a name relevant to the heritage, tradition, and uniqueness of our current school. Thank you for the opportunity to give input to this process!

Sincerely,

NPES SBDM Council members

Laura Beth Hayes, principal
