WELCOME TO APPLE SCHOOL MANAGER

This Apple School Manager Agreement ("Agreement") between Your Institution and Apple governs Your Institution's use of software, services and websites that make up Apple School Manager (collectively referred to as the "Service"). You agree that You have the full legal authority to bind Your Institution to these terms. By clicking "Agree", You agree that You have read and understand these terms, and that these terms apply if You choose to access or use the Service or make it available to others. If You do not have the legal authority to bind Your Institution or do not agree to these terms, do not click "Agree."

1. GENERAL

A. Service. Apple is the provider of the Service, which permits You, under the terms and conditions of this Agreement, to: (i) enroll Authorized Devices for the purpose of Mobile Device Management (MDM) within Your Institution; (ii) access relevant software tools to facilitate the Service; (iii) administer Your creation and distribution of Managed Apple Accounts and their use by Your End Users; (iv) manage the transmission, storage, purchase and maintenance of relevant data and Content related to the Service; (v) manage Your creation and administration of courses using the Service; and (vi) enable certain features and functionality of the Service for End Users to use with their Managed Apple Accounts including, without limitation, the measurement of student progress on activities assigned in ClassKit enabled applications through Apple School Manager, features involving Third Party Products and Services as set forth in Section 3 of this Agreement, and the features and services set forth in Section 4D of this Agreement. You agree to use the Service only in compliance with this Agreement, the Documentation, and all applicable laws and regulations.

B. Device and User Enrollment. You may use the device enrollment features of the Service to enroll only Authorized Devices in the Service. If You elect to use the Service and enroll Authorized Devices as set forth in this Agreement, then Apple will provide You with a Web Portal and an Administrator account with which You will be able to create and manage the Managed Apple Accounts for End Users and make the features of the Service available. Once You create the Managed Apple Accounts for End Users, such accounts will be accessible via Institution-owned shared or individual devices, and any devices used by End Users to access their Managed Apple Accounts. You are responsible for determining and selecting the Service features You wish to provide to Your End Users.

C. Device Transfer. You will not resell any Authorized Devices with Device Enrollment Settings enabled and agree to remove Authorized Devices from the Services prior to reselling them or transferring them to third parties in any way.

2. RIGHT TO USE

A. Unless stated otherwise in this Agreement, You have the non-exclusive, non-assignable, non-transferable, and limited right to access and use the Service during the Term solely for Your educational operations and subject to the terms of this Agreement. You may permit Your End Users to use the Service for the foregoing purpose, and You are responsible for Your End Users' compliance with the terms of this Agreement.

B. You do not acquire any right or license to use the Service, or any of its features, beyond the scope and/or duration of the Service specified in this Agreement. Your right to access and use the Service will terminate upon the termination and/or expiration of this Agreement.

C. Except as otherwise expressly stated in this Agreement, You agree that Apple has no obligation to provide any Apple Software, programs, features, services or products as part of the Service.

3. DATA PRIVACY AND SECURITY

A. Customer Instructions and Use of Personal Data. Under this Agreement, Apple, acting as a data processor on Your behalf, may receive Personal Data if provided by You or on Your behalf and Your End Users. By entering into this Agreement, You instruct Apple to process such Personal Data, in accordance with applicable law: (i) to provide and support Your use and Your End Users' use of the Service, including any Apple features, functionality, and services You or applicable End Users enable; (ii) pursuant to Your instructions as given through Your or applicable End Users' use of the Service (including the Web Portal and other features and functionality of the Service); (iii) as specified under this Agreement including as set forth in Exhibit A for student End Users; and (iv) as further documented in any other written instructions given by You and acknowledged by Apple as constituting instructions under this Agreement.

You understand that Apple may process Personal Data associated with a Managed Apple Account, such as name, Institution, enrolled classes, role, contact information such as email address and phone number, grade level, employment information, user identifiers, and device identifiers, as applicable and depending on the type of End User, the services used, and data provided. Apple may also process Personal Data in connection with its provision of features and services that are available with a Managed Apple Account, including without limitation those services outlined in Section 1A above, Section 4D below, Apple Services, and services outlined in Exhibit A for student End Users. The processing of student End Users' Personal Data is explained in further detail in Exhibit A.

Apple shall only process Personal Data pursuant to Your instructions, as described in this Agreement, including Section 3A and Exhibit A for student End Users, unless (i) prohibited by an applicable legal requirement from doing so or (ii) required to do so by an applicable legal requirement. In such cases, Apple will inform You of that legal requirement before processing Personal Data (unless prohibited by that law from doing so on important grounds of public interest). Apple shall not disclose any Personal Data or engage in any processing activity in connection with this Agreement in such a manner as to constitute a "sale" or "sharing" (as those terms are defined in the California Consumer Privacy Act (CCPA) or any similar concept in other data protection laws) of Personal Data. Apple shall immediately inform You if, in Apple's opinion, any of Your instructions infringes the GDPR or other Union or Member State data protection provisions, to the extent required. Apple shall also inform you if it can no longer meet its obligations under the CCPA or other applicable data protection laws and regulations.

In addition, Apple and its affiliates and agents may collect, use, store, and process diagnostic, technical, usage and related information, including but not limited to, unique system or hardware identifiers, and information about Your Authorized Devices, system and application software, and peripherals, cookies, and IP addresses in a way that does not personally identify Your End Users in order to provide and improve the Service; to facilitate the provision of software updates, product support, and other features related to the Service; for security and account management purposes; and to verify compliance with the terms of this Agreement.

B. Compliance with Law. You agree that You are solely liable and responsible for ensuring Your compliance with all applicable laws, including without limitation privacy and data protection laws, regarding the use or collection of data and information through the Service.

You are also responsible for all activity related to Personal Data, including but not limited to, monitoring such Personal Data and activity, and preventing and addressing inappropriate data and activity, including the removal of data and the termination of access of the End User making such data available. You are responsible for safeguarding and limiting access to End User data by all persons and any of Your service providers, including Your Third Party Service Providers, with access to End User data and for the actions of all persons who are permitted access to use the Service by You.

C. Data Incidents. Apple will (i) notify Institution, without undue delay and as required by law, if Apple becomes aware that there has been a breach of security of the Service leading to the accidental or unlawful destruction, loss, alteration, unauthorized disclosure of, or access to Institution's Personal Data ("a Data Incident"); and (ii) take reasonable steps to minimize harm and secure Institution's Personal Data. You are responsible for providing Apple with Institution's updated contact information for such notification purposes. Apple will also assist Institution to the extent it involves Personal Data that Apple has access to in connection with the Service, to ensure Institution complies with its obligations to provide notice of Data Incidents to supervisory authorities or data subjects as required under Articles 33 and 34 of the GDPR, if applicable, or any other equivalent obligations under applicable law.

Apple will not access the contents of Your Personal Data in order to identify information subject to any specific legal requirements. Institution is responsible for complying with incident notification laws applicable to the Institution and fulfilling any third party obligations related to Data Incident(s).

Apple's notification of, or response to, a Data Incident under this Section 3C will not be construed as an acknowledgment by Apple of any responsibility or liability with respect to a Data Incident.

D. Your Audit/Inspection Rights. To the extent that the GDPR applies to the processing of Your or Your End Users' Personal Data, Apple will provide You with the information necessary to demonstrate compliance with Article 28 of that law. In the event that You have audit rights under other applicable laws, Apple will provide You with the information necessary to demonstrate compliance with Your obligations under those laws. If you choose to exercise Your audit rights under this Section 3D, Apple shall demonstrate compliance by providing you with a copy of Apple Inc.'s ISO 27001 and ISO 27018 Certifications.

E. Security Procedures. Apple shall use industry-standard measures to safeguard Personal Data during the processing of Personal Data. Encrypted Personal Data may be stored at Apple's geographic discretion. As part of these measures, Apple will also use commercially reasonable efforts to: (a) encrypt Personal Data at rest and in transit; (b) ensure the ongoing confidentiality, integrity, availability and resilience of processing systems and services; (c) restore the availability of Personal Data in a timely manner in the event of a physical or technical issue; and (d) regularly test, assess, and evaluate the effectiveness of technical and organizational measures for ensuring the security of the processing of Personal Data. Apple may update the security features from time to time as long as the updates do not result in the degradation of the overall security of the Service.

F. Security Controls. Apple will assist You to ensure Your compliance with Your obligations with regards to the security of Personal Data, including Your Institution's obligations, under Article 32 of the GDPR or equivalent obligations under applicable law, by implementing the Security Procedures set forth in Section 3E of this Agreement and by

maintaining the ISO 27001 and ISO 27018 Certifications. Apple will make available for review by Institution the certificates issued in relation to the ISO 27001 and ISO 27018 Certifications following a request by You or Your Institution under this Section 3F.

G. Security Compliance. Apple will take appropriate steps to ensure compliance with security procedures by Apple Personnel and Apple Service Providers and Apple shall ensure that any persons authorized to process Personal Data comply with applicable laws regarding the confidentiality and security of Personal Data with regards to the Service.

H. Data Impact Assessment and Prior Consultation. Apple will reasonably assist Institution as required under applicable law, to the extent it involves Personal Data Apple has access to in connection with the Service, to ensure Institution's compliance with any applicable obligations requiring Institution to conduct data protection impact assessments, or to consult with a supervisory authority prior to processing where such is required by law.

I. Breach Notification and Cooperation. You shall promptly notify Apple in the event that You learn or have reason to believe that any person, or entity, has breached Your security measures or has gained unauthorized access to: (1) Your Personal Data; (2) any restricted areas of the Service; or (3) Apple's confidential information (collectively, "Information Security Breach"). In the event of an Information Security Breach, You shall provide Apple with reasonable assistance and support to minimize the harm and secure the data.

J. Data Transfer. If required by law, Apple will ensure that any international data transfer is done only to a country that ensures an adequate level of protection, has provided appropriate safeguards as set forth in applicable law, such as those in Articles 46 and 47 of the GDPR (e.g., standard data protection clauses), or is subject to a derogation in Article 49 of the GDPR. Such safeguards may include the Model Contract Clauses as executed by Apple, or other data transfer agreements, which You agree to enter into if required by Your jurisdiction, as executed by Apple at <https://www.apple.com/legal/enterprise/datatransfer/>. Apple's international transfer of Personal Data collected in participating Asia-Pacific Economic Cooperation (APEC) countries abides by the APEC Cross-Border Privacy Rules (CBPR) System (<http://cbprs.org/>) and Privacy Recognition for Processors (PRP) System (<http://cbprs.org/>) for the transfer of Personal Data. In case of questions or unresolved concerns about our APEC CBPR or PRP certifications, our third-party dispute resolution provider (<https://feedback-form.truste.com/watchdog/request>) can be contacted.

K. Destruction of Data. Upon termination of this Agreement for any reason, Apple shall securely destroy Your and Your End Users' Personal Data that is stored by Apple in connection with the Service within a reasonable period of time, but in any case, no longer than 180 days.

L. Requests Regarding Personal Data.

i. **Institution Requests:** Apple shall provide You with the ability to access, correct, retrieve, or delete Your and Your End Users' Personal Data in accordance with Your obligations under privacy and data protection laws, as applicable. In the event that You make a request to Apple regarding Your or Your End Users' Content or Personal Data in connection with the Service, Apple will either reasonably (i) enable You to manage such requests directly, such as through available tools in the Web Portal, or (ii) cooperate with You to handle such requests to the extent such requests involve Personal Data that Apple has access to. Apple is not responsible for data, including Content or Personal Data, You store or transfer outside of Apple's system (for example, student records located in your

Student Information System). Requests for deletion handled via Apple School Manager will be completed within 30 days. If You are located within the European Union, the following additional terms related to Regulation (EU) 2023/2854 apply:

<https://support.apple.com/guide/deployment/depe03a2705f>.

ii. **End User Requests:** In the event that Apple receives any requests from End Users for a copy of their Personal Data in connection with the Service, Apple will either reasonably (i) enable You to manage such requests directly, such as through available tools in the Web Portal, or (ii) cooperate with You to handle such requests to the extent such requests involve Personal Data that Apple has access to. If You choose to allow Apple to provide a copy of an End User's Personal Data in its privacy portal at privacy.apple.com through the Web Portal, You hereby instruct Apple, upon the End User's request, to process and fulfil such End User's request to access their data as available on privacy.apple.com on Your behalf.

iii. **Third Party Requests:** In the event that Apple receives a third party request, such as a request from law enforcement or a regulatory authority, for Your or Your End User's Content or Personal Data ("Third Party Request"), Apple will (i) notify You, to the extent permitted by law, of its receipt of the Third Party Request; and (ii) notify the requester to address such Third Party Request to You. Unless otherwise required by law or the Third Party Request, You will be responsible for responding to the Request. In the event You are subject to an investigation by a data protection regulator or similar authority regarding Personal Data, Apple shall provide You with assistance and support in responding to such investigation to the extent it involves Personal Data that Apple has access to in connection with the Service.

M. School Official Status Under FERPA (20 U.S.C. § 1232g). If You are an educational agency, or organization, or acting on behalf of an educational agency, or organization, to which regulations under the U.S. Family Education Rights and Privacy Act (FERPA) apply, the parties agree that for the purposes of this Agreement, Apple will (a) act as a "school official" as defined in 34 C.F.R. § 99.31(a)(1)(i) with a legitimate educational interest; (b) with respect to applicable End Users' Personal Data, perform an institutional service or function under the direct control of the Institution for which the Institution would otherwise use employees; (c) use applicable End Users' Personal Data only for a purpose authorized by the Institution, including as set forth in this Agreement; and (d) not re-disclose applicable End Users' Personal Data to third parties or affiliates except as authorized under this Agreement, with permission from the Institution, pursuant to a court order, or as otherwise permitted under applicable laws or regulations.

N. COPPA. Apple will use and maintain Personal Data, provided by You and Your End Users to Apple in connection with the Service, in accordance with the Children's Online Privacy Protection Act of 1998 (COPPA), insofar as it is applicable. This Section 3 and the attached Exhibit A constitute notice of how Apple will collect, use, or disclose Personal Data of children under the age of 13. You grant Apple permission to collect, use and disclose such Personal Data for the purpose of providing and improving the Service and as set forth in Exhibit A.

O. Access to Third Party Products and Services. If You choose to access, use, download, install, or enable third party products or services that operate with the Service but are not a part of the Service, then the Service may allow such products or services to access Personal Data as required for the use of those additional services. Certain of those third party products or services may also provide access to Personal Data to Apple, such as if You allow Your End Users to sign into the Service through federated identity providers. You are not required to use such additional products or services in relation to the Service, and Your

Administrator may restrict the use of such additional products or services in accordance with this Agreement. Prior to accessing, using, downloading, installing, or enabling third party products or services for use with a Managed Apple Account, You should review the terms, policies and practices of the third party products and services to understand what data they may collect from Your End Users, how the data may be used, shared and stored, and, if applicable, whether such practices are consistent with any consents You have obtained.

P. Apple Service Provider. Apple may provide Personal Data to Service Providers who provide services to Apple in connection with the Service. You authorize Apple to use all the Apple entities set forth in the definition of "Apple" as a Service Provider and any other Service Providers Apple may use, provided that such Service Providers are bound by contract to treat Personal Data in no less a protective way than Apple has undertaken to treat such data under this Agreement, and will not use such data for any purpose beyond that specified herein. The list of Service Providers is available at https://www.apple.com/legal/enterprise/data-transfer-agreements/subprocessors_us.pdf. If a Service Provider fails to fulfill its data protection obligations under this Agreement, Apple shall remain fully liable to You for the performance of that Service Provider's obligations as required by applicable law.

4. SERVICE

A. Use Restrictions. You will ensure Your and Your End Users' use of the Service complies with this Agreement and the Documentation, and You will inform Your End Users of, and enforce, the restrictions set forth in this Agreement and the Documentation. You agree that neither You nor Your End Users will use the Service to upload, download, post, email, transmit, store or otherwise make available: (i) any Content or materials that are unlawful, harassing, threatening, harmful, defamatory, obscene, invasive of another's privacy, hateful, racially or ethnically offensive or otherwise objectionable; (ii) any Content or materials that infringe any copyright or other intellectual property, or violate any trade secret, or contractual or other proprietary right; (iii) any unsolicited or unauthorized email message, advertising, promotional materials, junk mail, spam, or chain letters; and/or (iv) any Content or materials that contain viruses or any computer code, files or programs designed to harm, interfere with or limit the normal operation of the Service or any other computer software or hardware. You further agree that You will not, and will ensure that End Users do not: (a) use the Service to stalk, harass, threaten or harm another; (b) pretend to be anyone or any entity that You are not (Apple reserves the right to reject or block any Managed Apple Account or email address that could be deemed to be an impersonation or misrepresentation of Your identity, or a misappropriation of another person's name or identity); (c) forge any Transmission Control Protocol/Internet Protocol (TCP-IP) packet header or any part of the header information in an email or a news group posting, or otherwise put information in a header designed to mislead recipients as to the origin of any content transmitted through the Service ("spoofing"); (d) interfere with or disrupt the Service, any servers or networks connected to the Service, or any policies, requirements or regulations of networks connected to the Service; and/or (e) use the Service to otherwise violate applicable laws, ordinances or regulations. If Your or Your End User's use of the Service or other behavior intentionally or unintentionally threatens Apple's ability to provide You or others the Service, Apple shall be entitled to take necessary steps to protect the Service and Apple's systems, which may include suspension of Your access to the Service.

If you are a covered entity, business associate or representative of a covered entity or business associate (as those terms are defined at 45 C.F.R § 160.103), You agree that you will not use any component, function or other facility of iCloud to create, receive, maintain or transmit any "protected health information" (as such term is defined at 45 C.F.R § 160.103) or

use iCloud in any manner that would make Apple (or any Apple Subsidiary) Your or any third party's business associate.

B. Administration of Accounts. You agree that You shall be solely responsible for management of Your Administrator account(s) and all of Your Managed Apple Accounts, including but not limited to: (i) the security and safeguarding of the user name and password associated with each account; (ii) the provision and/or removal of access by any of Your End Users to such account and any Content provided and/or stored in the Service; and (iii) the provision of appropriate documentation and guidelines to End Users about using the Managed Apple Accounts.

C. End User Notice. Administrators will have the ability to monitor, access or disclose End User data associated with Managed Apple Accounts through the Web Portal and/or Administrator tools. You represent and warrant that, prior to deploying the Service to Institution and any End Users, You will provide sufficient notice and disclosure of the terms of this Agreement, and obtain and maintain all necessary rights and consents, either from each End User, or where necessary and applicable, each End User's parent or legal guardian, to allow Apple to: (1) provide and support You and Your End Users' use of the Service in accordance with this Agreement; and (2) access and receive End User data that may arise as part of the provision of the Service.

D. Managed Apple Accounts; Features and Services. A Managed Apple Account is the account user name and password You create and provide to each of Your End Users to access the Service. Apple will provide You with the tools to create Managed Apple Accounts for Your End Users. When You create Managed Apple Accounts for Your End Users, all features and functionality of the Service that You select to be available are enabled for all of Your Institution's Managed Apple Accounts. YOU ASSUME FULL RESPONSIBILITY AND LIABILITY FOR ALL RISKS AND COSTS ASSOCIATED WITH YOUR SELECTION OF EACH FEATURE AND FUNCTIONALITY ENABLED IN THE SERVICE AS BEING APPROPRIATE FOR INSTITUTION AND/OR YOUR END USERS.

i. Requirements for Use of Managed Apple Account

1. Devices and Accounts. Use of Managed Apple Accounts as part of the Service may require compatible devices, Internet access, certain software, and periodic updates. The latest version of the required software may be necessary for certain transactions or features. Apple reserves the right to limit the number of Managed Apple Accounts that may be created and the number of devices associated with a Service account.

2. Your rights to the Managed Apple Accounts. Unless otherwise required by law or this Agreement, You agree that each Managed Apple Account is non-transferable between individual End Users, and between Institutions.

ii. Find My iPhone. Find my iPhone is automatically disabled for all Managed Apple Accounts. However, if an Authorized Device is lost or stolen, Institution can use the MDM solution to put the device in Lost Mode so that the device will be locked, the End User will be logged out, and a report will be automatically transmitted to the MDM Server. Institution can also erase the device remotely and enable Activation Lock to help ensure that the device cannot be reactivated without the proper Managed Apple Account and password. Apple shall bear no responsibility for Your failure to protect Authorized Devices with a passcode, Your failure to enable Lost Mode, and/or Your failure to receive or respond to notices and communications. Apple shall also bear no responsibility for returning lost or stolen devices to You or for any resulting loss of data. Apple is not responsible for any replacement of devices that have the Activation Lock feature enabled, or any warranty

claims on such devices. You may remove the Activation Lock feature and disable Lost Mode through MDM.

iii. **Account Authentication.** Two-factor authentication requiring two types of information for authentication purposes, such as a password and a generated security code, is automatically enabled for the Managed Apple Accounts of Your Administrators, teachers and staff. Institution agrees to provide Apple with at least one mobile telephone number for Institution to receive autodialed or prerecorded calls and text messages from Apple for authentication and account related purposes, which may be subject to standard message and data rates. Apple may place such calls or texts to: (i) help keep Your Service account secure when signing in; (ii) help You access Your account if You forget Your password; or (iii) as otherwise necessary to maintain Your Service account or enforce this Agreement and relevant policies. Managed Apple Accounts distributed to Your End Users will also require two-factor authentication, such as identification of an Authorized Device and an authentication code generated in the Web Portal or a telephone number. In all instances, You are responsible for: (a) distributing the Managed Apple Accounts You create to identified End Users; (b) approving access to the Service by such End Users; (c) controlling against unauthorized access; and (d) maintaining the confidentiality and security of user names, passwords and account information.

iv. **Backup.** Authorized Devices that are not shared devices will periodically create automatic backups that are transmitted to the Service when the user is logged in with their Managed Apple Account and the device is screen-locked, connected to a power source, and connected to the Internet via a Wi-Fi network. You may disable backup in the MDM Enrollment Settings. Backup is limited to device settings, device characteristics, photos, videos, documents, messages (iMessage, SMS and MMS, if enabled), ringtones, app data (including Health app data, if applicable), location settings (such as location-based reminders that You have set up), and Home screen and app organization. Content that You purchase, download or provide access to Your End Users from the App Store or Apple Books Store, and Content purchased from or provided by any third parties, will not be backed up. Such Content may be eligible for re-download from those services, subject to account requirements, availability, and any applicable terms and conditions. Content synced from Your End Users' computers will not be backed up. If You enable iCloud Photo Library, the photo libraries of Your End Users will be backed up separately from their automatic iCloud backup. The Content stored in an End User's contacts, calendars, bookmarks, and documents is accessible via iCloud on the web or on any Apple device that an End User signs into using their Managed Apple Account. It is solely Your responsibility to maintain appropriate alternative backup of Your and Your End Users' information and data.

v. **iCloud Photo Library.** When You enable iCloud Photo Library in connection with any Managed Apple Accounts, the photos, videos and metadata in the Photos App on the Authorized Devices ("Device Photo Library") will be automatically sent to iCloud, stored as the End User's Photo Library in iCloud, and then pushed to all of the End User's other iCloud Photo Library-enabled devices and computers. If the End User later makes changes (including deletions) to the Device Photo Library on any of these devices or computers, such changes will automatically be sent to and reflected in the End User's iCloud Photo Library. These changes will also be pushed from iCloud to, and reflected in, the Device Photo Library on all of the End User's iCloud Photo Library-enabled devices and computers. The resolution of content in the Photo Library on Authorized Devices or computers may vary depending upon the amount of available storage and the storage management option selected for the End User's iCloud-Photo-Library-enabled device. If You do not wish to use iCloud Photo Library, You may disable it for Your Managed Apple Account and/or on Your Authorized Devices.

vi. **Schoolwork.** If you make Schoolwork available to Your End Users, teachers and students at Your Institution can manage their school work and assignments using a Managed Apple Account.

1. **iCloud File Sharing.** When you share a file using Schoolwork in connection with a Managed Apple Account, Apple automatically organizes any files shared into class folders for students and teachers in the iCloud Drive. Your End Users can access their shared files using their Managed Apple Account. Annotations or changes made to these files will be visible by any End User in a class with whom You have shared a file. You can stop sharing files at any time. Files created by Your End Users using Managed Apple Accounts are stored until you delete them. However, any file previously copied to another device or computer will not be deleted.

2. **Student Progress.** When You opt-in to the Student Progress feature in the Web Portal, student progress on activities assigned in ClassKit enabled applications will be recorded and reported to the ClassKit framework. Only activities assigned by Your teachers using Schoolwork will initiate the recording and reporting of student progress information. Your student End Users will be able to view their own student progress information in Schoolwork and in Settings on their device. Your teacher End Users will be able to view the student progress information of all students in their class for activities they assign. Student data created through Your use of Schoolwork or ClassKit enabled applications will be treated in accordance with Section 3 and Exhibit A of this Agreement. If You opt-out a Managed Apple Account from the Student Progress feature, all student progress Personal Data associated with that Managed Apple Account will be deleted in accordance with Section 3L(i).

vii. **Third Party Apps.** If You make available any third party apps for Your End Users to sign into with their Managed Apple Accounts, You agree to allow such apps to store data in the accounts associated with Your End Users' Managed Apple Accounts, and for Apple to collect, store, and process such data on behalf of the relevant third party app developer in association with Your and/or Your End Users' use of the Service and such apps. Third party apps may have the capability to share such data with another app downloaded from the same app developer. You are responsible for ensuring that You and Your End Users are in compliance with any storage limits and all applicable laws for each Managed Apple Account based on the third party apps You make available to Your End Users to download.

viii. **Other Apple Services.** If You make available other Apple Services for Your non-student End Users to sign into, You agree to allow the Apple Services to store data in the accounts associated with those End Users' Managed Apple Accounts, and for Apple to collect, store and process such data in association with Your and/or Your non-student End User's use of the Apple Service. You are responsible for ensuring that You and Your non-student End Users are in compliance with all applicable laws for each Managed Apple Account based on the Apple Service you allow Your End Users to access. If Your non-student End Users access certain Apple Services, Apple may communicate with Your End Users about their use of the Service, Apple Services, and updates to Apple Services.

E. **Server Token Usage.** You agree to use the Server Token provided by Apple only for the purpose of registering Your MDM Server within the Service, uploading MDM Enrollment Settings, and receiving Managed Apple Account roster data. You shall ensure that Your End Users use the information sent or received using Your Server Token only with Authorized Devices. You agree not to provide or transfer Your Server Token to any other entity or share it with any other entity, excluding Your Third Party Service Providers. You agree to take appropriate measures to safeguard the security and privacy of such Server Token and to revoke it if it has been compromised or You have reason to believe it has been compromised.

Apple reserves the right to revoke or disable Server Tokens at any time in its sole discretion. Further, You understand and agree that regenerating the Server Token will affect Your ability to use the Service until a new Server Token has been added to the MDM Server.

F. Storage Capacity; Limitations on Usage. Exceeding any applicable or reasonable usage limitations, such as limitations on bandwidth or storage capacity (e.g., in connection with iCloud Backup), is prohibited and may prevent You from using some of the features and functionality of the Service, accessing Content or using some, or all, of the Managed Apple Accounts. In the event that Apple limits bandwidth or storage capacity available to You, it shall use commercially reasonable efforts to notify You via the Service or otherwise within ten (10) business days of doing so.

G. Submission of Content. You are solely responsible for any Content You or Your End Users upload, download, post, email, transmit, store or otherwise make available through the use of the Service. You shall ensure that Your End Users have obtained all necessary third party permissions or licenses related to any such Content. You understand that by using the Service You may encounter Content that You or Your End Users find offensive, indecent, or objectionable, and that You may expose others to content that they may find objectionable. You understand and agree that Your use of the Service and any Content is solely at Your own risk.

H. Removal of Content. You acknowledge that Apple is not responsible or liable for any Content provided by You or Your End Users. Apple has the right, but not an obligation, to determine whether Content is appropriate and in compliance with this Agreement, and may move and/or remove Content that violates the law or this Agreement at any time, without prior notice and in its sole discretion. In the event that Apple removes any Content, it shall use commercially reasonable efforts to notify You.

I. Bundled Service. All features and functionalities of the Service are provided as part of a bundle and may not be separated from the bundle and used as standalone applications. Apple Software provided with a particular Apple-branded hardware product may not run on other models of Apple-branded hardware.

J. Links and Other Third-Party Materials. Certain Content, components or features of the Service may include materials from third parties and/or hyperlinks to other web sites, resources or content. You acknowledge and agree that Apple is not responsible for the availability of such third party sites or resources, and shall not be liable or responsible for any content, advertising, products or materials on or available from such sites or resources used by You or Your End Users.

K. Purchasing Apps and Books.

- i. **Acquisition of Content.** Acquisition of Content from the App Store or Apple Books Store using Managed Apple Accounts is automatically disabled. Unpublished-rights reserved under the copyright laws of the United States.

G. Attorneys' Fees. To the extent not prohibited by applicable law, if any action or proceeding, whether regulatory, administrative, at law or in equity is commenced or instituted to enforce or interpret any of the terms or provisions of this Agreement (excluding any mediation required under this Agreement), the prevailing party in any such action or proceeding shall be entitled to recover its reasonable attorneys' fees, expert witness fees, costs of suit and expenses, in addition to any other relief to which such prevailing party may be entitled. You and Apple hereby consent to the personal jurisdiction and exclusive venue of the federal courts within the state in which Your Institution is domiciled.

For all other institutions domiciled in the United States or subject to United States law under this Agreement, this Agreement will be governed by and construed in accordance with the laws of the State of California, as applied to agreements entered into and to be performed entirely within California between California residents. The parties further submit to and waive any objections to the personal jurisdiction of and venue in any of the following forums: U.S. District Court for the Northern District of California, California Superior Court for Santa Clara County, or any other forum in Santa Clara County, for any litigation arising out of this Agreement.

If Your Institution is located outside of the United States, the governing law and forum shall be the law and courts of the country of domicile of the Apple entity providing the Service to You as defined in Section 10M.

If You are an international, intergovernmental organization that has been conferred immunity from the jurisdiction of national courts through Your intergovernmental charter or agreement, then any controversy or claim arising out of or relating to this Agreement, or the breach thereof,

shall be determined by arbitration under the Rules of Arbitration of the International Chamber of Commerce (the "ICC Rules") in effect at the time of applying for arbitration by three arbitrators appointed in accordance with such rules, and will be conducted according to the International Bar Association (IBA) Rules on the Taking of Evidence in International Arbitration. The place of arbitration shall be London, England. The arbitration shall be conducted in English. Upon Apple's request, You agree to provide evidence of Your status as an intergovernmental organization with such privileges and immunities.

Neither party shall be responsible for failure or delay of performance that is caused by an act of war, hostility, terrorism, civil disobedience, fire, earthquake, act of God, natural disaster, accident, pandemic, labor unrest, government limitations (including the denial or cancelation of any export/import or other license), or other event outside the reasonable control of the obligated party; provided that within five (5) business days of discovery of the force majeure event, such party provides the other with a written notice. Both parties will use reasonable efforts to mitigate the effects of a force majeure event. In the event of such force majeure event, the time for performance or cure will be extended for a period equal to the duration of the force majeure event, but in no event more than thirty (30) days. This Section does not excuse either party's obligation to institute and comply with reasonable disaster recovery procedures.

K. Complete Understanding; Severability; Changes to the Agreement. This Agreement constitutes the entire agreement between You and Apple regarding Your use of the Service, governs Your use of the Service and completely replaces any prior agreements between You and Apple in relation to the Service. You may also be subject to additional terms and conditions that may apply when You use affiliate services, third party content, or third party software. Unless specified otherwise in this Agreement as related to the Service, nothing in this Agreement supersedes the EULAs for the Apple Software. This Agreement may be modified only to the extent expressly permitted by this Agreement (for example, by Apple upon notice to You). In the event that You refuse to accept such changes, Apple will have the right to terminate this Agreement and Your account. If any part of this Agreement is held invalid or unenforceable, that portion shall be construed in a manner consistent with applicable law to reflect, as nearly as possible, the original intentions of the parties, and the remaining portions shall remain in full force and effect. The failure of Apple to exercise or enforce any right or provision of this Agreement shall not constitute a waiver of such right or provision. Any translation of this Agreement is done for local requirements and in the event of a conflict

between the English and any non-English version, the English version of this Agreement shall govern.

Personalized Ads will be disabled by default for all devices associated with Your Managed Apple Accounts created through the Service to ensure Your students do not receive targeted advertising. However, non-targeted advertising may still be received on those devices, as determined by any third party apps that You may download.

Apple may use non-personally identifiable diagnostic, technical, usage and related information, including but not limited to, identifiers, information about Authorized Devices, system and application software, and peripherals, and cookies in order to provide and improve the Service; to facilitate the provision of software updates, product support and other features related to the Service; for security and account management purposes; and to verify compliance with the terms of this Agreement. For example, Apple may use non-personally identifiable data on Your students' use of Schoolwork (which is not associated with a Managed Apple Account) to provide and improve the app.

Disclosure to Third Parties

Managed Apple Accounts

Subject to the restrictions You set, Your students may also share information with Your other students and teachers through use of the Apple services and features that you choose to make available, including the services and features described above.

Additionally, if Your student uses his or her Managed Apple Account to sign in on a device that is owned by a third party (such as a friend or a parent's iPad), information associated with that student's Managed Apple Account may be visible or accessible to others using the device unless and until the student signs out.

If You choose to access, use, download, install, or enable third party products or services that operate with the Service but are not a part of the Service, then the Service may allow such products or services to access Personal Data as required for the use of those additional services. Certain of those third party products or services may also provide access to Personal Data to Apple, such as if You allow Your students to sign into the Service through federated identity providers. You are not required to use such additional products or services in relation to the Service, and Your Administrator may restrict the use of such additional products or services in accordance with this Agreement. Prior to accessing, using, downloading, installing, or enabling third party products or services for use with a Managed Apple Account, You should review the terms, policies and practices of the third party products and services to understand what data they may collect from Your student, how the data may be used, shared and stored, and, if applicable, whether such practices are consistent with any consents You have obtained.

Apple Service Providers

Apple may provide Personal Data to Apple Service Providers who perform certain tasks on Apple's behalf, such as processing or storing data and providing customer service, in connection with Apple's provision of the Service. You authorize the use of Apple Inc. as a Service Provider and any other Service Providers Apple may use, provided such Service Providers are bound by contract to treat such data in no less a protective way than Apple has undertaken to treat such data under this Agreement, and will not use such data for any purpose beyond that specified herein. A list of such Service Providers will be available upon request. Where an Apple Service Provider fails to fulfill its data protection obligations under this Agreement, Apple shall remain fully liable to You for the performance of that Apple Service Provider's obligations as required under applicable law.

Others

Apple may also disclose Personal Data about You or Your students if Apple determines that disclosure is reasonably necessary to enforce Apple's terms and conditions or protect Apple's operations or users. Additionally, in the event of a reorganization, merger, or sale Apple may transfer any and all Personal Data You provide to the relevant party.

Access, Correction, and Deletion

Apple provides You with the ability to access, correct, or delete data associated with Your students' Managed Apple Accounts. You can delete data associated with Your Managed Apple Accounts through the Web Portal. If you have questions, you can contact us at <https://www.apple.com/legal/privacy/contact/>.

Parent/Guardian Review and Deletion of Information

The parents or guardians of student End Users with a Managed Apple Account in Primary/Secondary (K-12) schools can contact the Administrator to access their child's Personal Data or request deletion. If a parent or guardian wishes to stop any further collection of their child's Personal Data, the parent or guardian can request that the Administrator use the Service controls available to limit their child's access to certain features, or delete the child's account entirely.

Apple's Privacy Policy is available at <https://www.apple.com/legal/privacy/> and, to the extent consistent with this Notice and Section 3 of this Agreement, is incorporated herein by reference. **If there is a conflict between Apple's Privacy Policy and this Notice and Section 3 of this Agreement, the terms of this Notice and Section 3 of this Agreement shall take precedence** as relevant to the Service available via a Managed Apple Account.

PLEASE NOTE: THIS NOTICE DOES NOT APPLY TO THE DATA COLLECTION PRACTICES OF ANY THIRD PARTY APPS. PRIOR TO PURCHASE OR DOWNLOAD OF THIRD PARTY APPS AVAILABLE TO A STUDENT WITH A MANAGED APPLE ACCOUNT, YOU SHOULD REVIEW THE TERMS, POLICIES, AND PRACTICES OF SUCH THIRD PARTY APPS.

APPLE INC

APPLE tvOS SOFTWARE LICENSE AGREEMENT

Single Use License

PLEASE READ THIS SOFTWARE LICENSE AGREEMENT ("LICENSE") CAREFULLY BEFORE USING YOUR APPLE TV OR DOWNLOADING THE SOFTWARE UPDATE ACCOMPANYING THIS LICENSE. BY USING YOUR APPLE TV OR DOWNLOADING A SOFTWARE UPDATE, AS APPLICABLE, YOU ARE AGREEING TO BE BOUND BY THE TERMS OF THIS LICENSE. IF YOU DO NOT AGREE TO THE TERMS OF THIS LICENSE, DO NOT USE THE APPLE TV OR DOWNLOAD THE SOFTWARE UPDATE.

IF YOU HAVE RECENTLY PURCHASED AN APPLE TV AND YOU DO NOT AGREE TO THE TERMS OF THE LICENSE, YOU MAY RETURN THE APPLE TV WITHIN THE RETURN PERIOD TO THE APPLE STORE OR AUTHORIZED DISTRIBUTOR WHERE YOU OBTAINED IT FOR A REFUND, SUBJECT TO APPLE'S RETURN POLICY FOUND AT <https://www.apple.com/legal/sales-support/>.

THIS LICENSE CONTAINS A JURISDICTIONAL SUPPLEMENT THAT APPLIES FOR CERTAIN COUNTRIES OR REGIONS. THE TERMS OF THE JURISDICTIONAL SUPPLEMENT ARE MADE AVAILABLE AT THE END OF THIS LICENSE. IN CASE OF ANY INCONSISTENCY BETWEEN THE JURISDICTIONAL SUPPLEMENT AND OTHER TERMS IN THIS LICENSE, THE JURISDICTIONAL SUPPLEMENT WILL TAKE PRIORITY.

1. General.

A. The software (including Boot ROM code, embedded software and third party software), documentation, interfaces, content, fonts and any data that came with your Apple TV, ("Original tvOS Software"), as may be updated or replaced by feature enhancements, software updates, security responses, system files, or system restore software provided by Apple ("tvOS Software Changes"), whether in read only memory, on any other media or in any other form (the Original tvOS Software and tvOS Software Changes are collectively referred to as the "tvOS Software") are licensed, not sold, to you by Apple Inc. ("Apple") for use only under the terms of this License. Apple and its licensors retain ownership of the tvOS Software itself and reserve all rights not expressly granted to you. You agree that the terms of this License will apply to any Apple-branded app that may be built-in on your Apple TV, unless such app is accompanied by a separate license, in which case you agree that the terms of that license will govern your use of that app.

B. Apple, at its discretion, may make available future tvOS Software Changes. The tvOS Software Changes, if any, may not necessarily include all existing software features or new features that Apple releases for newer or other models of Apple TV. The terms of this License will govern any tvOS Software Changes, unless such tvOS Software Change is accompanied by a separate license in which case you agree that the terms of that license will govern.

2. Permitted License Uses and Restrictions.

A. Subject to the terms and conditions of this License, you are granted a limited non-exclusive license to

use the tvOS Software on a single Apple TV. You agree not to install, use or run the tvOS Software on any non-Apple-branded device, or to enable others to do so. Except as permitted in Section 2B below, and unless as provided in a separate agreement between you and Apple, this License does not allow the tvOS Software to exist on more than one Apple TV at a time, and you may not distribute or make the tvOS Software available over a network where it could be used by multiple devices at the same time. For clarity, the rights granted under this License allow you to use tvOS Software with third party software solely to the extent Apple has authorized the third party software to use Apple's proprietary interfaces or protocols. This License does not grant you any rights to use Apple proprietary interfaces and other intellectual property in the design, development, manufacture, licensing or distribution of third party devices and accessories, or third party software applications, for use with the Apple TV. Some of those rights are available under separate licenses from Apple. For more information on developing software applications or third party devices and accessories for Apple TV, please visit <https://developer.apple.com/>.

B. Subject to the terms and conditions of this License, you are granted a limited non-exclusive license to download tvOS Software Changes that may be made available by Apple for your model of Apple TV to update or restore the software on any such Apple TV that you own or control. This License does not allow you to update or restore any Apple TV that you do not control or own, and you may not distribute or make the tvOS Software Changes available over a network where they could be used by multiple devices or multiple computers at the same time.

C. You may not, and you agree not to or enable others to, copy (except as expressly permitted by this License), decompile, reverse engineer, disassemble, attempt to derive the source code of, decrypt, modify, or create derivative works of the tvOS Software or any services provided by the tvOS Software or any part thereof (except as and only to the extent any foregoing restriction is prohibited by applicable law or by licensing terms governing use of open-source components that may be included with the tvOS Software). You agree not to remove, obscure, or alter any proprietary notices (including trademark and copyright notices) that may be affixed to or contained within the Apple Software.

D. The tvOS Software may be used to reproduce materials so long as such use is limited to reproduction of non-copyrighted materials, materials in which you own the copyright, or materials you are authorized or legally permitted to reproduce. Title and intellectual property rights in and to any content displayed by, stored on or accessed through your Apple TV belongs to the respective content owner. Such content may be protected by copyright or other intellectual property laws and treaties, and may be subject to terms of use of the third party providing such content. Except as otherwise provided herein, this License does not grant you any rights to use such content nor does it guarantee that such content will continue to be available to you.

E. You agree to use the tvOS Software and the Services (as defined in Section 5 below) in compliance with all applicable laws, including local laws of the country or region in which you reside or in which you download or use the tvOS Software and Services. Features of the tvOS Software and the Services may not be available in all languages or regions, some features may vary by region, and some may be restricted or unavailable from your service provider.

F. Use of the App Store requires a unique user name and password combination, known as an Apple Account. An Apple Account is also required to access app updates and certain features of the tvOS Software and Services. You acknowledge that some features and Services of the tvOS Software transmit data and could impact charges to your internet data plan, and that you are responsible for any such charges. The quality of the display of streaming movies or other content can vary from device to device and can be affected by a variety of factors, such as your location, TV display, content provider, and available bandwidth or speed of your Internet connection.

G. The tvOS Software will periodically check with Apple for changes to the tvOS Software, Aerial screensaver, and apps installed on your Apple TV. If a change is available, the change may automatically download and install onto your Apple TV. **By using the tvOS Software, you agree that Apple may download and install such automatic changes onto your Apple TV.** You can turn off automatic changes to the tvOS Software, Aerial screensaver and apps at any time from within Settings. Some system files (including, without limitation, updated fonts, language models, voice assets, and firmware for peripherals) may continue to be automatically installed such as when you turn on or use certain features and peripherals, or to address legal, regulatory, public safety, or technical considerations.

3. Transfer. You may not rent, lease, lend, sell, redistribute or sublicense the tvOS Software. You may, however, make a one-time permanent transfer of all of your license rights to the tvOS Software to another party in connection with the transfer of ownership of your Apple TV, provided that: (a) the transfer must include your Apple TV and all of the tvOS Software, including all its component parts, and this License; (b) you do not retain any copies of the tvOS Software, full or partial, including copies stored on a computer or other storage device; and (c) the party receiving the tvOS Software reads and agrees to accept the terms and conditions of this License. Apple may assign all or any portion of this License or any rights or obligations hereunder to any Apple affiliate or subsidiary at any time without notice. All components of the tvOS Software are provided as part of a bundle and may not be separated from the bundle and distributed as standalone applications. tvOS Software provided with a particular Apple-branded hardware product may not run on other models of Apple-branded hardware.

4. Consent to Use of Data.

A. When you use Apple TV Search, your search queries, the results you select, and related usage data will be sent to Apple to process your search requests. Apple may also collect device information such as IP address, device type, operating system version and type, and unique device identifiers to provide you with more relevant search results, detect and prevent fraud, and improve Apple TV Search and other Apple products and services. To provide you with relevant search results, each time you perform a search query, your subscription status for any eligible third party apps/subscription services will be sent to Apple. If you do not want your search queries and related usage data (including subscriber status) sent to Apple, you should not use the Apple TV Search feature. By using this feature, you agree and consent to Apple's, its affiliates', agents', principals', and licensors' transmission, collection, maintenance, processing, and use of this information as described above.

B. Apple devices are designed in a way that Apple is restricted from accessing or retrieving information that is designed to stay on your device. This does not apply to data for which Apple provides technical means that allow users to share their data generated and stored on their device with Apple (or third parties). Apple will receive access to such data only upon your explicit request or permission, e.g. for the purpose of providing ancillary support and repair services or when you chose to share device analytics data with Apple and developers, which may include data about how you use your Apple TV. Furthermore, certain features like Analytics and Siri may require information from your Apple TV to provide their respective functions. When you turn on or use these features, details will be provided regarding what information is sent to Apple and how the information may be used. You can learn more by visiting <https://www.apple.com/privacy/>.

C. At all times your information will be treated in accordance with Apple's Privacy Policy, which can be viewed at: <https://www.apple.com/legal/privacy/>.

5. tvOS Software, Services, and Third Party Materials.

A. The tvOS Software may enable access to Apple's iTunes Store, App Store, Game Center, iCloud, Fitness+ and other Apple and third party services, and web sites (collectively and individually, "Services"). Use of these Services may require Internet access and use of certain Services may require an Apple Account, may require you to accept additional terms and may be subject to additional fees. By

using this software in connection with an Apple Account, or other Services, you agree to the applicable terms of service, such as the latest Apple Media Services Terms and Conditions for the country or region in which you access such Services, which you may access and review at <https://www.apple.com/legal/internet-services/itunes/>.

B. Your use of the iCloud services is subject to the following additional terms: iCloud Terms and Conditions available at <https://www.apple.com/legal/internet-services/icloud/> and Apple's Privacy Policy available at <https://www.apple.com/legal/privacy>

C. You understand that by using any of the tvOS Software and Services, you may encounter content that may be deemed offensive, indecent, or objectionable, which content may or may not be identified as having explicit language, and that the results of any search or entering of a particular URL may automatically and unintentionally generate links or references to objectionable material. Nevertheless, you agree to use the tvOS Software and Services at your sole risk and that Apple, its affiliates, agents, principals, or licensors shall have no liability to you for content that may be found to be offensive, indecent, or objectionable.

D. Certain tvOS Software and Services may display, include or make available content, data, information, applications or materials from third parties ("Third Party Materials") or provide links to certain third party web sites. By using the tvOS Software and Services, you acknowledge and agree that Apple is not responsible for examining or evaluating the content, accuracy, completeness, timeliness, validity, copyright compliance, legality, decency, quality or any other aspect of such Third Party Materials or web sites. Apple, its officers, affiliates and subsidiaries do not warrant or endorse and do not assume and will not have any liability or responsibility to you or any other person for any third-party Services, Third Party Materials or web sites, or for any other materials, products, or services of third parties. Third Party Materials and links to other web sites are provided solely as a convenience to you.

E. Neither Apple nor any of its content providers guarantees the availability, accuracy, completeness, reliability, or timeliness of stock information, location data, health information or any other data made available by any tvOS Software and Services. Financial information made available by any tvOS Software and Services is for general informational purposes only and should not be relied upon as investment advice. Before executing any securities transaction based upon information obtained through tvOS Software and Services, you should consult with a financial or securities professional who is legally qualified to give financial or securities advice in your country or region. You should evaluate the outputs generated by artificial intelligence for accuracy and appropriateness for your use case, including using human review as appropriate, before using or sharing the outputs from the tvOS Software and Services. Location data provided by any tvOS Software and Services, including the Apple Maps service, is provided for basic navigational and planning purposes only and is not intended to be relied upon in situations where precise location information is needed or where erroneous, inaccurate, time-delayed or incomplete location data may lead to death, personal injury, or property or environmental damage. You agree that the results you receive from the Maps service may vary from actual road or terrain conditions due to factors that can affect the accuracy of the Maps data, such as, but not limited to, weather, road and traffic conditions, and geopolitical events.

F. To the extent that you transmit any content through the use of the tvOS Software and Services, you represent that you own all rights in, or have authorization or are otherwise legally permitted to transmit, such content and that such content does not violate any terms of service applicable to the tvOS Software and Services. You agree that the tvOS Software and Services contain proprietary content, information and material that is owned by Apple, the site owner or their licensors, and is protected by applicable intellectual property and other laws, including but not limited to copyright. You agree that you will not use such proprietary content, information or materials other than for permitted use of the tvOS Software and Services or in any manner that is inconsistent with the terms of this License or that

infringes any intellectual property rights of a third party or Apple. No portion of the tvOS Software and Services may be reproduced in any form or by any means. You agree not to modify, rent, lease, loan, sell, distribute, or create derivative works based on the tvOS Software and Services, in any manner, and you shall not exploit the tvOS Software and Services in any unauthorized way whatsoever, including but not limited to, using the tvOS Software and Services to transmit any computer viruses, worms, trojan horses or other malware, or by trespass or burdening network capacity. You further agree not to use the tvOS Software and Services in any manner to spam, defraud, harass, abuse, stalk, threaten, defame or otherwise infringe or violate the rights of any other party, and that Apple is not in any way responsible for any such use by you, nor for any harassing, threatening, defamatory, offensive, infringing or illegal messages or transmissions that you may receive as a result of using any of the tvOS Software and Services.

G. Certain tvOS Software, Services, and Third Party Materials may not be available in all languages or in all countries or regions. Apple makes no representation that such tvOS Software, Services, and Third Party Materials are appropriate or available for use in any particular location. To the extent you choose to use or access such tvOS Software, Services, or Third Party Materials, you do so at your own initiative and are responsible for compliance with any applicable laws, including but not limited to applicable local laws and privacy and data collection laws. Apple and its licensors reserve the right to change, suspend, remove, or disable access to any tvOS Software and Services at any time without notice. In no event will Apple be liable for the removal of or disabling of access to any such tvOS Software and Services. Apple may also impose limits on the use of or access to certain tvOS Software and Services, in any case and without notice or liability.

6. Termination. This License is effective until terminated. Your rights under this License will terminate automatically or otherwise cease to be effective without notice from Apple if you fail to comply with any term(s) of this License. Upon the termination of this License, you shall cease all use of the tvOS Software. Sections 2C, 4, 5, 6, 7, 8, 9, 11 and 12 of this License shall survive any such termination.

7. Disclaimer of Warranties.

A. If you are a customer who is a consumer (someone who uses the tvOS Software outside of your trade, business or profession), you may have legal rights in your country of residence which would prohibit the following limitations from applying to you, and where prohibited they will not apply to you. To find out more about rights, you should contact a local consumer advice organization and refer to the Jurisdictional Supplement.

B. YOU EXPRESSLY ACKNOWLEDGE AND AGREE THAT, TO THE EXTENT PERMITTED BY APPLICABLE LAW, USE OF THE tvOS SOFTWARE AND ANY SERVICES PERFORMED BY OR ACCESSED THROUGH THE tvOS SOFTWARE IS AT YOUR SOLE RISK AND THAT THE ENTIRE RISK AS TO SATISFACTORY QUALITY, PERFORMANCE, ACCURACY AND EFFORT IS WITH YOU.

C. TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, THE tvOS SOFTWARE AND SERVICES ARE PROVIDED "AS IS" AND "AS AVAILABLE", WITH ALL FAULTS AND WITHOUT WARRANTY OF ANY KIND, AND APPLE AND APPLE'S LICENSORS (COLLECTIVELY REFERRED TO AS "APPLE" FOR THE PURPOSES OF SECTIONS 7 AND 8) HEREBY DISCLAIM ALL WARRANTIES AND CONDITIONS WITH RESPECT TO THE tvOS SOFTWARE AND SERVICES, EITHER EXPRESS, IMPLIED OR STATUTORY, INCLUDING, BUT NOT LIMITED TO, THE IMPLIED WARRANTIES AND/OR CONDITIONS OF MERCHANTABILITY, SATISFACTORY QUALITY, FITNESS FOR A PARTICULAR PURPOSE, ACCURACY, QUIET ENJOYMENT, AND NON-INFRINGEMENT OF THIRD PARTY RIGHTS.

D. APPLE DOES NOT WARRANT AGAINST INTERFERENCE WITH YOUR ENJOYMENT OF THE tvOS SOFTWARE AND SERVICES, THAT THE FUNCTIONS CONTAINED IN, OR SERVICES PERFORMED OR PROVIDED BY, THE tvOS SOFTWARE WILL MEET YOUR REQUIREMENTS, THAT THE OPERATION OF

THE tvOS SOFTWARE AND SERVICES WILL BE UNINTERRUPTED OR ERROR-FREE, THAT ANY SERVICE WILL CONTINUE TO BE MADE AVAILABLE, THAT DEFECTS IN THE tvOS SOFTWARE OR SERVICES WILL BE CORRECTED, OR THAT THE tvOS SOFTWARE WILL BE COMPATIBLE OR WORK WITH ANY THIRD PARTY SOFTWARE, APPLICATIONS OR THIRD PARTY SERVICES. INSTALLATION OF THIS tvOS SOFTWARE MAY AFFECT THE AVAILABILITY AND USABILITY OF THIRD PARTY SOFTWARE, APPLICATIONS OR THIRD PARTY SERVICES, AS WELL AS APPLE PRODUCTS AND SERVICES.

E. YOU FURTHER ACKNOWLEDGE THAT THE tvOS SOFTWARE AND SERVICES ARE NOT INTENDED OR SUITABLE FOR USE IN SITUATIONS OR ENVIRONMENTS WHERE THE FAILURE OR TIME DELAYS OF, OR ERRORS OR INACCURACIES IN, THE CONTENT, DATA OR INFORMATION PROVIDED BY THE tvOS SOFTWARE OR SERVICES COULD LEAD TO DEATH, PERSONAL INJURY, OR SEVERE PHYSICAL OR ENVIRONMENTAL DAMAGE, INCLUDING WITHOUT LIMITATION THE OPERATION OF NUCLEAR FACILITIES, AIRCRAFT NAVIGATION OR COMMUNICATION SYSTEMS, AIR TRAFFIC CONTROL, LIFE SUPPORT OR WEAPONS SYSTEMS.

F. NO ORAL OR WRITTEN INFORMATION OR ADVICE GIVEN BY APPLE OR AN APPLE AUTHORIZED REPRESENTATIVE SHALL CREATE A WARRANTY. SHOULD THE tvOS SOFTWARE OR SERVICES PROVE DEFECTIVE, YOU ASSUME THE ENTIRE COST OF ALL NECESSARY SERVICING, REPAIR OR CORRECTION. SOME JURISDICTIONS DO NOT ALLOW THE EXCLUSION OF IMPLIED WARRANTIES OR LIMITATIONS ON APPLICABLE STATUTORY RIGHTS OF A CONSUMER, SO THE ABOVE EXCLUSION AND LIMITATIONS MAY NOT APPLY TO YOU.

8. Limitation of Liability. EXCEPT AS OTHERWISE PROVIDED IN THIS LICENSE, TO THE EXTENT NOT PROHIBITED BY APPLICABLE LAW, IN NO EVENT SHALL APPLE, ITS AFFILIATES, AGENTS, OR PRINCIPALS BE LIABLE FOR PERSONAL INJURY, OR ANY INCIDENTAL, SPECIAL, INDIRECT OR CONSEQUENTIAL DAMAGES WHATSOEVER, INCLUDING, WITHOUT LIMITATION, DAMAGES FOR LOSS OF PROFITS, CORRUPTION OR LOSS OF DATA, FAILURE TO TRANSMIT OR RECEIVE ANY DATA, BUSINESS INTERRUPTION OR ANY OTHER COMMERCIAL DAMAGES OR LOSSES, ARISING OUT OF OR RELATED TO YOUR USE OR INABILITY TO USE THE tvOS SOFTWARE AND SERVICES OR ANY THIRD PARTY SOFTWARE, APPLICATIONS OR SERVICES IN CONJUNCTION WITH THE tvOS SOFTWARE OR SERVICES, HOWEVER CAUSED, REGARDLESS OF THE THEORY OF LIABILITY (CONTRACT, TORT OR OTHERWISE) AND EVEN IF APPLE HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. SOME JURISDICTIONS DO NOT ALLOW THE EXCLUSION OR LIMITATION OF LIABILITY FOR PERSONAL INJURY, OR OF INCIDENTAL OR CONSEQUENTIAL DAMAGES, SO THIS LIMITATION MAY NOT APPLY TO YOU. In no event shall Apple's total liability to you for all damages (other than as may be required by applicable law in cases involving personal injury) exceed the amount of fifty dollars (\$50.00). The foregoing limitations will apply even if the above stated remedy fails of its essential purpose.

9. Export Control. You may not use or otherwise export or re-export the tvOS Software except as authorized by United States law and the laws of the jurisdiction(s) in which the tvOS Software was obtained. In particular, but without limitation, the tvOS Software may not be exported or re-exported (a) into any U.S. embargoed countries or (b) to anyone on the U.S. Treasury Department's list of Specially Designated Nationals or the U.S. Department of Commerce Denied Person's List or Entity List or any other restricted party lists. By using the tvOS Software, you represent and warrant that you are not located in any such country or on any such list. You also agree that you will not use the tvOS Software for any purposes prohibited by United States law, including, without limitation, the development, design, manufacture or production of missiles, nuclear, chemical or biological weapons.

10. Government End Users. The tvOS Software and related documentation are "Commercial Products", as that term is defined at 48 C.F.R. §2.101, consisting of "Commercial Computer Software" and

“Commercial Computer Software Documentation”, as such terms are used in 48 C.F.R. §12.212 or 48 C.F.R. §227.7202, as applicable. Consistent with 48 C.F.R. §12.212 or 48 C.F.R. §227.7202-1 through 227.7202-4, as applicable, the Commercial Computer Software and Commercial Computer Software Documentation are being licensed to U.S. Government end users (a) only as Commercial Products and (b) with only those rights as are granted to all other end users pursuant to the terms and conditions herein. Unpublished-rights reserved under the copyright laws of the United States.

11. Controlling Law and Severability. This License will be governed by and construed in accordance with the laws of the State of California, excluding its conflict of law principles. This License shall not be governed by the United Nations Convention on Contracts for the International Sale of Goods, the application of which is expressly excluded. If you are a consumer based in the United Kingdom, this License will be governed by the laws of the jurisdiction of your residence. If for any reason a court of competent jurisdiction finds any provision, or portion thereof, to be unenforceable, the remainder of this License shall continue in full force and effect.

12. Complete Agreement; Governing Language. This License constitutes the entire agreement between you and Apple relating to the tvOS Software and supersedes all prior or contemporaneous understandings regarding such subject matter. No amendment to or modification of this License will be binding unless in writing and signed by Apple. Any translation of this License is done for local requirements and in the event of a dispute between the English and any non-English versions, the English version of this License shall govern, to the extent not prohibited by local law in your jurisdiction.

13. Third Party Acknowledgements.

A. Portions of the tvOS Software may utilize or include third party software and other copyrighted material. Acknowledgements, licensing terms and disclaimers for such material are contained in the electronic documentation for the tvOS Software, and your use of such material is governed by their respective terms.

(a) Subject to the terms and conditions of this License, you are granted a limited non-exclusive license to use the Apple Software on a single Apple-branded Device. Except as permitted in Section 2(b) below, and unless as provided in a separate agreement between you and Apple, this License does not allow the Apple Software to exist on more than one Apple-branded Device at a time, and you may not distribute or make the Apple Software available over a network where it could be used by multiple Devices at the same time. For clarity, the rights granted under this License allow you to use Apple Software with third party software solely to the extent Apple has authorized the third party software to use Apple's proprietary interfaces or protocols. This License does not grant you any rights to use Apple proprietary interfaces and other intellectual property in the design, development, manufacture, licensing or distribution of third party devices and accessories, or third party software applications, for use with Devices. Some of those rights are available under separate licenses from Apple. For more information on developing third party devices and accessories for Devices, please visit <https://developer.apple.com/programs/mfi/>. For more information on developing software applications for Devices, please visit <https://developer.apple.com>.

(b) Subject to the terms and conditions of this License, you are granted a limited non-exclusive license to download Apple Software Changes that may be made available by Apple for your model of the Device to update or restore the software on any such Device that you own or control. This License does not allow you to update or restore any Device that you do not control or own, and you may not distribute or make the Apple Software Changes available over a network where they could be used by multiple Devices or multiple computers at the same time. If you download an Apple Software Change to your computer, you may make one copy of the Apple Software Changes stored on your computer in machine-readable form for backup purposes only, provided that the backup copy must include all copyright or other proprietary notices contained on the original.

(c) To the extent that Apple has preinstalled Apple-branded apps from the App Store on your Device at the time of purchase ("Preinstalled Apps"), you will need to log into the App Store and associate these Preinstalled Apps with your App Store account in order to use them on your Device. When you associate a Preinstalled App with your App Store account, you will at the same time be automatically associating all other Preinstalled Apps on your Device. If you do not wish to use a Preinstalled App, you can delete it from your Device at any time.

(d) You may not, and you agree not to or enable others to, copy (except as expressly permitted by this License), decompile, reverse engineer, disassemble, attempt to derive the source code of, decrypt, modify, or create derivative works of the Apple Software or any services provided by the Apple Software or any part thereof (except as and only to the extent any foregoing restriction is prohibited by applicable law or by licensing terms governing use of open-source components that may be included with the Apple Software). You agree not to remove, obscure, or alter any proprietary notices (including trademark

and copyright notices) that may be affixed to or contained within the Apple Software.

(e) The Apple Software may be used to reproduce materials so long as such use is limited to reproduction of non-copyrighted materials, materials in which you own the copyright, or materials you are authorized or legally permitted to reproduce. Notwithstanding the foregoing, you are prohibited from republishing, retransmitting or reproducing any images accessed through News or Maps as a stand-alone file. Title and intellectual property rights in and to any content displayed by, stored on or accessed through your Device belong to the respective content owner. Such content may be protected by copyright or other intellectual property laws and treaties, and may be subject to terms of use of the third party providing such content. Except as otherwise provided herein, this License does not grant you any rights to use such content nor does it guarantee that such content will continue to be available to you.

(f) Subject to the terms and conditions of this License, you may: (i) use the Genmoji and Memoji characters included in or created with the Apple Software ("System Characters") (1) while running the Apple Software and (2) to create your own original content and projects for your personal, non-commercial use; (ii) use the Live Captions automatically generated on-device in real time by the Apple Software ("Live Captions"), whether generated during a FaceTime call or otherwise, only for your personal, non-commercial use; and (iii) use the Personal Voice feature to create a voice on device that sounds like you ("Personal Voice") using your own personal voice for your personal, non-commercial use. No other creation or use of the System Characters, Live Captions, or Personal Voice is permitted by this License, including but not limited to the use, reproduction, display, performance, recording, publishing or redistribution in a profit, non-profit, public sharing or commercial context.

(g) In order to complete certain app and/or website action shortcuts, the Apple Software may need to access certain third party software applications, services or websites on your Device. You expressly consent to such use to the extent necessary to complete the Shortcut with the Apple Software.

(h) You agree to use the Apple Software and the Services (as defined in Section 5 below) in compliance with all applicable laws, including local laws of the country or region in which you reside or in which you download or use the Apple Software and Services. You further agree not to use Apple Software and Services to generate artificial content (including, for example, artificial explicit or sexual content) in any manner that is prohibited by applicable law. Features of the Apple Software and the Services may not be available in all languages or regions, some features may vary based on age or region, and some may be restricted or unavailable from your service provider. Some features or content of the Apple Software and Services may be subject to additional terms or restrictions. Some features of the Apple Software and Services may require a certain type of network connection.

(i) Use of the App Store requires a unique user name and password combination, known as an Apple Account. An Apple Account is also required to access app updates and certain features of the Apple Software and Services.

(j) You acknowledge that many features, built-in apps, and Services of the Apple Software use cellular voice, text, or data and could impact charges to your cellular plan, and that you are responsible for any such charges. You can view and control which applications are permitted to use cellular data and view an estimate of how much data such applications have consumed under Cellular Data Settings. In addition, Wi-Fi Assist will automatically switch to cellular when you have a poor Wi-Fi connection, which might result in more cellular data use and impact charges to your data plan. Wi-Fi Assist is on by default, but can be disabled under Settings. For more information, please consult the User Guide for your Device.

(k) If you choose to allow automatic app updates, your Device will periodically check with Apple for updates to the apps on your Device and, if one is available, the update will automatically download and

install onto your Device. You can turn off the automatic app updates altogether at any time by going to Settings, tap iTunes & App Store, and under Automatic Downloads, turn off Updates.

(l) Using your Device in some circumstances can distract you and may cause a dangerous situation (for example, avoid typing a text message while driving a car or listening to music on headphones while riding a bicycle). By using your Device you agree that you are responsible for observing rules that prohibit or restrict the use of mobile phones or headphones (for example, the requirement to use hands-free options for making calls when driving).

(m) Certain features of the Apple Software may attempt to provide assistance in safety-related situations, such as any safety-related detection feature and connecting you to emergency services (as available). Apple does not guarantee the availability, accuracy, completeness, reliability, or timeliness of such features. These features are not intended to be solely relied upon in situations where more immediate or effective help is available and may be obtained. You agree to use these features at your sole risk and exercise independent judgment, and that Apple, its affiliates, agents, or principals shall have no liability to you for your use of these features and any resulting consequences to the maximum extent permitted by law.

(n) Your Device is not a medical device and should not be used as a substitute for professional medical judgment. It is not designed or intended for use in the diagnosis of disease or other conditions, or in the cure, mitigation, treatment, or prevention of any condition or disease. Please consult your healthcare provider prior to making any decisions related to your health.

3. Transfer. You may not rent, lease, lend, sell, redistribute, or sublicense the Apple Software. You may, however, make a one-time permanent transfer of all of your license rights to the Apple Software to another party in connection with the transfer of ownership of your Device, provided that: (a) the transfer must include your Device and all of the Apple Software, including all its component parts and this License; (b) you do not retain any copies of the Apple Software, full or partial, including copies stored on a computer or other storage device; and (c) the party receiving the Apple Software reads and agrees to accept the terms and conditions of this License. Apple may assign all or any portion of this License or any rights or obligations hereunder to any Apple affiliate or subsidiary at any time without notice.

4. Consent to Use of Data. Apple devices are designed in a way that Apple is restricted from accessing or retrieving information that is designed to stay on your device. This does not apply to data for which Apple provides technical means that allow users to share their data generated and stored on their device with Apple (or third parties). Apple will receive access to such data only upon your explicit request or permission, e.g. for the purpose of providing ancillary support and repair services or when you chose to share device analytics data with Apple and developers, which may include data about how you use your iPhone or iPad or Apple devices connected with your iPhone or iPad, such as your AirTag. Furthermore, certain features like Location Services, Siri, and Dictation may require information from your Device to provide their respective functions. When you turn on or use these features, details will be provided regarding what information is sent to Apple and how the information may be used. You can learn more by visiting <https://www.apple.com/privacy/>. At all times your information will be treated in accordance with Apple's Privacy Policy, which can be viewed at: <https://www.apple.com/legal/privacy/>.

5. Apple Software, Services, and Third Party Materials.

(a) The Apple Software may enable access to Apple's iTunes Store, App Store, Apple Books, Game Center, iCloud, Maps, News, Fitness+ and other Apple and third party services and web sites (collectively and individually, "Services"). Use of these Services may require Internet access and use of certain Services may require an Apple Account, may require you to accept additional terms and may be subject to additional fees. By using this software in connection with an Apple Account, or other Apple Services, you agree to the applicable terms of service, such as the latest Apple Media Services Terms

and Conditions for the country or region in which you access such Services, which you may access and review at <https://www.apple.com/legal/internet-services/itunes/>.

(b) If you sign up for iCloud, certain iCloud features like "iCloud Drive", "Shared Albums" and "Find My" may be accessed directly from the Apple Software. You acknowledge and agree that your use of iCloud and these features is subject to the latest terms and conditions of the iCloud service, which you may access and review at: <https://www.apple.com/legal/internet-services/icloud/>.

(c) News App Content. Your use of content accessed through the News application is limited solely to personal, noncommercial use, does not transfer any ownership interest to you in the content, and specifically excludes, without limitation, any commercial or promotional use rights in such content.

(d) Maps. The maps service and features of the Apple Software ("Maps"), including map data coverage, may vary by region. When you turn on or use Maps, details will be provided regarding what information is sent to Apple and how the information may be used. You acknowledge and agree that your use of Maps is subject to the latest terms and conditions of the Maps service, which you may access and review on the Maps home card.

(e) Third party network service providers or Globalstar, Inc. and its affiliates provide the satellite network for features that use a satellite connection.

(f) You understand that by using any of the Apple Software and Services, you may encounter content that may be deemed offensive, indecent, or objectionable, which content may or may not be identified as having explicit language, and that the results of any search or entering of a particular URL may automatically and unintentionally generate links or references to objectionable material. Nevertheless, you agree to use the Apple Software and Services at your sole risk and that Apple, its affiliates, agents, principals, or licensors shall have no liability to you for content that may be found to be offensive, indecent, or objectionable.

(g) Certain Apple Software and Services may display, include or make available content, data, information, applications or materials from third parties ("Third Party Materials") or provide links to certain third party web sites. By using the Apple Software and Services, you acknowledge and agree that Apple is not responsible for examining or evaluating the content, accuracy, completeness, timeliness, validity, copyright compliance, legality, decency, quality or any other aspect of such Third Party Materials or web sites. Apple, its officers, affiliates and subsidiaries do not warrant or endorse and do not assume and will not have any liability or responsibility to you or any other person for any third-party Services, Third Party Materials or web sites, or for any other materials, products, or services of third parties. Third Party Materials and links to other web sites are provided solely as a convenience to you.

(h) Neither Apple nor any of its content providers guarantees the availability, accuracy, completeness, reliability, or timeliness of stock information, location data or any other data displayed by any Apple Software and Services. Financial information displayed by any Apple Software and Services is for general informational purposes only and should not be relied upon as investment advice. Before executing any securities transaction based upon information obtained through Apple Software and Services, you should consult with a financial or securities professional who is legally qualified to give financial or securities advice in your country or region. You should evaluate the outputs generated by artificial intelligence for accuracy and appropriateness for your use case, including using human review as appropriate, before using or sharing the outputs from the Apple Software and Services. Location data provided by any Apple Software and Services, including the Apple Maps service, is provided for basic navigational and planning purposes only and is not intended to be relied upon in situations where precise location information is needed or where erroneous, inaccurate, time-delayed or incomplete

location data may lead to death, personal injury, or property or environmental damage. You agree that the results you receive from the Maps service may vary from actual road or terrain conditions due to factors that can affect the accuracy of the Maps data, such as, but not limited to, weather, road and traffic conditions, and geopolitical events. For your safety when using the navigation feature, always pay attention to posted road signs and current road conditions. Follow safe driving practices and traffic regulations, and note that cycling and walking directions may not include designated pathways.

(i) To the extent that you transmit any content through the use of the Apple Software and Services, you represent that you own all rights in, or have authorization or are otherwise legally permitted to transmit, such content and that such content does not violate any terms of service applicable to the Apple Software and Services. You agree that the Apple Software and Services contain proprietary content, information and material that is owned by Apple, the site owner or their licensors, and is protected by applicable intellectual property and other laws, including but not limited to copyright. You agree that you will not use such proprietary content, information or materials other than for permitted use of the Apple Software and Services or in any manner that is inconsistent with the terms of this License or that infringes any intellectual property rights of a third party or Apple. No portion of the Apple Software and Services may be reproduced in any form or by any means. You agree not to modify, rent, lease, loan, sell, distribute, or create derivative works based on the Apple Software and Services, in any manner, and you shall not exploit the Apple Software and Services in any unauthorized way whatsoever, including but not limited to, using the Apple Software and Services to transmit any computer viruses, worms, trojan horses or other malware, or by trespass or burdening network capacity. You further agree not to use the Apple Software and Services in any manner to spam, defraud, harass, abuse, stalk, threaten, defame or otherwise infringe or violate the rights of any other party, and that Apple is not in any way responsible for any such use by you, nor for any harassing, threatening, defamatory, offensive, infringing or illegal messages or transmissions that you may receive as a result of using any of the Apple Software and Services.

(j) Certain Apple Software, Services and Third Party Materials may not be available in all languages or in all countries or regions. Apple makes no representation that such Apple Software, Services, and Third Party Materials are appropriate or available for use in any particular location. To the extent you choose to use or access such Apple Software, Services or Third Party Materials, you do so at your own initiative and are responsible for compliance with any applicable laws, including but not limited to applicable local laws and privacy and data collection laws. Apple and its licensors reserve the right to change, suspend, remove, or disable access to any of Apple Software and Services at any time without notice. In no event will Apple be liable for the removal of or disabling of access to any such Apple Software and Services. Apple may also impose limits on the use of or access to certain Apple Software and Services, in any case and without notice or liability.

(k) Sharing or syncing photos through your Device may cause metadata, including where and when the photo was taken, and depth information, to be transmitted with the photos. Use of the Services (such as iCloud Photos) to share or sync such photos will involve Apple syncing and storing such metadata.

6. Termination. This License is effective until terminated. Your rights under this License will terminate automatically or otherwise cease to be effective without notice from Apple if you fail to comply with any term(s) of this License. Upon the termination of this License, you shall cease all use of the Apple Software. Sections 4, 5, 6, 7, 8, 9, 11, and 12 of this License shall survive any such termination.

7. Disclaimer of Warranties

7.1. If you are a customer who is a consumer (someone who uses the Apple Software outside of your trade, business or profession), you may have legal rights in your country of residence which would prohibit the following limitations from applying to you, and where prohibited they will not apply to you. To find out more about rights, you should contact a local consumer advice organization and refer to the

Jurisdictional Supplement.

7.2. YOU EXPRESSLY ACKNOWLEDGE AND AGREE THAT, TO THE EXTENT PERMITTED BY APPLICABLE LAW, USE OF THE APPLE SOFTWARE AND ANY SERVICES PERFORMED BY OR ACCESSED THROUGH THE APPLE SOFTWARE IS AT YOUR SOLE RISK AND THAT THE ENTIRE RISK AS TO SATISFACTORY QUALITY, PERFORMANCE, ACCURACY AND EFFORT IS WITH YOU.

7.3. TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, THE APPLE SOFTWARE AND SERVICES ARE PROVIDED "AS IS" AND "AS AVAILABLE", WITH ALL FAULTS AND WITHOUT WARRANTY OF ANY KIND, AND APPLE AND APPLE'S LICENSORS (COLLECTIVELY REFERRED TO AS "APPLE" FOR THE PURPOSES OF SECTIONS 7 AND 8) HEREBY DISCLAIM ALL WARRANTIES AND CONDITIONS WITH RESPECT TO THE APPLE SOFTWARE AND SERVICES, EITHER EXPRESS, IMPLIED OR STATUTORY, INCLUDING, BUT NOT LIMITED TO, THE IMPLIED WARRANTIES AND/OR CONDITIONS OF MERCHANTABILITY, SATISFACTORY QUALITY, FITNESS FOR A PARTICULAR PURPOSE, ACCURACY, QUIET ENJOYMENT, AND NON-INFRINGEMENT OF THIRD PARTY RIGHTS.

7.4. APPLE DOES NOT WARRANT AGAINST INTERFERENCE WITH YOUR ENJOYMENT OF THE APPLE SOFTWARE AND SERVICES, THAT THE FUNCTIONS CONTAINED IN, OR SERVICES PERFORMED OR PROVIDED BY, THE APPLE SOFTWARE WILL MEET YOUR REQUIREMENTS, THAT THE OPERATION OF THE APPLE SOFTWARE AND SERVICES WILL BE UNINTERRUPTED OR ERROR-FREE, THAT ANY SERVICES WILL CONTINUE TO BE MADE AVAILABLE, THAT DEFECTS IN THE APPLE SOFTWARE OR SERVICES WILL BE CORRECTED, OR THAT THE APPLE SOFTWARE WILL BE COMPATIBLE OR WORK WITH ANY THIRD PARTY SOFTWARE, APPLICATIONS OR THIRD PARTY SERVICES. INSTALLATION OF THIS APPLE SOFTWARE MAY AFFECT THE AVAILABILITY AND USABILITY OF THIRD PARTY SOFTWARE, APPLICATIONS OR THIRD PARTY SERVICES, AS WELL AS APPLE PRODUCTS AND SERVICES.

7.5. YOU FURTHER ACKNOWLEDGE THAT THE APPLE SOFTWARE AND SERVICES ARE NOT INTENDED OR SUITABLE FOR USE IN SITUATIONS OR ENVIRONMENTS WHERE THE FAILURE OR TIME DELAYS OF, OR ERRORS OR INACCURACIES IN THE CONTENT, DATA OR INFORMATION PROVIDED BY THE APPLE SOFTWARE OR SERVICES COULD LEAD TO DEATH, PERSONAL INJURY, OR SEVERE PHYSICAL OR ENVIRONMENTAL DAMAGE, INCLUDING WITHOUT LIMITATION THE OPERATION OF NUCLEAR FACILITIES, AIRCRAFT NAVIGATION OR COMMUNICATION SYSTEMS, AIR TRAFFIC CONTROL, LIFE SUPPORT OR WEAPONS SYSTEMS.

7.6. NO ORAL OR WRITTEN INFORMATION OR ADVICE GIVEN BY APPLE OR AN APPLE AUTHORIZED REPRESENTATIVE SHALL CREATE A WARRANTY. SHOULD THE APPLE SOFTWARE OR SERVICES PROVE DEFECTIVE, YOU ASSUME THE ENTIRE COST OF ALL NECESSARY SERVICING, REPAIR OR CORRECTION. SOME JURISDICTIONS DO NOT ALLOW THE EXCLUSION OF IMPLIED WARRANTIES OR LIMITATIONS ON APPLICABLE STATUTORY RIGHTS OF A CONSUMER, SO THE ABOVE EXCLUSION AND LIMITATIONS MAY NOT APPLY TO YOU.

8. Limitation of Liability. EXCEPT AS OTHERWISE PROVIDED IN THIS LICENSE, TO THE EXTENT NOT PROHIBITED BY APPLICABLE LAW, IN NO EVENT SHALL APPLE, ITS AFFILIATES, AGENTS OR PRINCIPALS BE LIABLE FOR PERSONAL INJURY, OR ANY INCIDENTAL, SPECIAL, INDIRECT OR CONSEQUENTIAL DAMAGES WHATSOEVER, INCLUDING, WITHOUT LIMITATION, DAMAGES FOR LOSS OF PROFITS, CORRUPTION OR LOSS OF DATA, FAILURE TO TRANSMIT OR RECEIVE ANY DATA (INCLUDING WITHOUT LIMITATION COURSE INSTRUCTIONS, ASSIGNMENTS AND MATERIALS), BUSINESS INTERRUPTION OR ANY OTHER COMMERCIAL DAMAGES OR LOSSES, ARISING OUT OF OR RELATED TO YOUR USE OR INABILITY TO USE THE APPLE SOFTWARE AND SERVICES OR ANY THIRD PARTY SOFTWARE, APPLICATIONS OR SERVICES IN CONJUNCTION WITH THE APPLE SOFTWARE OR SERVICES, HOWEVER CAUSED, REGARDLESS OF THE THEORY

OF LIABILITY (CONTRACT, TORT OR OTHERWISE) AND EVEN IF APPLE HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. SOME JURISDICTIONS DO NOT ALLOW THE EXCLUSION OR LIMITATION OF LIABILITY FOR PERSONAL INJURY, OR OF INCIDENTAL OR CONSEQUENTIAL DAMAGES, SO THIS LIMITATION MAY NOT APPLY TO YOU. In no event shall Apple's total liability to you for all damages (other than as may be required by applicable law in cases involving personal injury) exceed the amount of two hundred and fifty dollars (U.S.\$250.00). The foregoing limitations will apply even if the above stated remedy fails of its essential purpose.

9. Export Control. You may not use or otherwise export or re-export the Apple Software except as authorized by United States law and the laws of the jurisdiction(s) in which the Apple Software was obtained. In particular, but without limitation, the Apple Software may not be exported or re-exported (a) into any U.S. embargoed countries or (b) to anyone on the U.S. Treasury Department's list of Specially Designated Nationals or the U.S. Department of Commerce Denied Person's List or Entity List or any other restricted party lists. By using the Apple Software, you represent and warrant that you are not located in any such country or on any such list. You also agree that you will not use the Apple Software for any purposes prohibited by United States law, including, without limitation, the development, design, manufacture or production of missiles, nuclear, chemical or biological weapons.

10. Government End Users and HIPAA Covered Entities and Business Associates.

The terms used in this section shall have the same meaning as defined in 45 CFR §160.103.

11. Controlling Law and Severability. This License will be governed by and construed in accordance with the laws of the State of California, excluding its conflict of law principles. This License shall not be governed by the United Nations Convention on Contracts for the International Sale of Goods, the application of which is expressly excluded. If you are a consumer based in the United Kingdom, this License will be governed by the laws of the jurisdiction of your residence. If for any reason a court of competent jurisdiction finds any provision, or portion thereof, to be unenforceable, the remainder of this License shall continue in full force and effect.

12. Complete Agreement; Governing Language. This License constitutes the entire agreement between you and Apple relating to the Apple Software and supersedes all prior or contemporaneous understandings regarding such subject matter. No amendment to or modification of this License will be binding unless in writing and signed by Apple. Any translation of this License is done for local requirements and in the event of a dispute between the English and any non-English versions, the English version of this License shall govern, to the extent not prohibited by local law in your jurisdiction.

13. Third Party Acknowledgements. Portions of the Apple Software may utilize or include third party software and other copyrighted material. Acknowledgements, licensing terms and disclaimers for such

IMPORTANT NOTE: To the extent that this software may be used to reproduce, modify, publish or distribute materials, it is licensed to you only for reproduction, modification, publication and distribution of non-copyrighted materials, materials in which you own the copyright, or materials you are authorized or legally permitted to reproduce, modify, publish or distribute. 1. General.

A. The Apple software (including Boot ROM code), any third party software, documentation, interfaces, content, fonts and any data accompanying this License ("Original Apple Software"), as may be updated or replaced by feature enhancements, software updates, security responses, system files, or system restore software provided by Apple for your Apple-branded computer or supported peripheral device ("Apple Software Changes"), whether preinstalled on Apple-branded hardware, on internal storage, on removable media, on disk, in read only memory, on any other media or in any other form (the Original Apple Software and Apple Software Changes are collectively referred to as the "Apple Software"), are licensed, not sold, to you by Apple Inc. ("Apple") for use only under the terms of this License. Apple and/or Apple's licensors retain ownership of the Apple Software itself and reserve all rights not expressly granted to you. You agree that the terms of this License will apply to any Apple-branded application software product that may be preinstalled on your Apple-branded hardware, unless such product is accompanied by a separate license, in which case you agree that the terms of that license will govern your use of that product.

B. Apple, at its discretion, may make available future Apple Software Changes. Apple Software Changes, if any, may not necessarily include all existing software features or new features that Apple releases for newer or other models of Apple-branded computers. The terms of this License will govern any Apple Software Changes provided by Apple, unless such Apple Software Changes are accompanied by a separate license, in which case the terms of that license will govern.

C. Title and intellectual property rights in and to any content displayed by or accessed through the Apple Software belongs to the respective content owner. Such content may be protected by copyright or other intellectual property laws and treaties, and may be subject to terms of use of the third party providing such content. Except as otherwise provided herein, this License does not grant you any rights to use such content nor does it guarantee that such content will continue to be available to you. You are prohibited from republishing, retransmitting or reproducing any images accessed through News or Maps as a stand-alone file.

2. Permitted License Uses and Restrictions.

A. Preinstalled and Single-Copy Apple Software License. Subject to the terms and conditions of this License, unless you obtained the Apple Software from the Mac App Store, through an automatic download or under a volume license, maintenance or other written agreement from Apple, you are granted a limited, non-exclusive license to install, use and run one (1) copy of the Apple Software on a single Apple-branded computer at any one time. For example, these single-copy license terms apply to you if you obtained the Apple Software preinstalled on Apple-branded hardware.

B. Mac App Store License. If you obtained a license for the Apple Software from the Mac App Store or through an automatic download, then subject to the terms and conditions of this License and as permitted by the Services and Content Usage Rules set forth in the Apple Media Services Terms and Conditions (<https://www.apple.com/legal/internet-services/itunes/>) ("Usage Rules"), you are granted a limited, non-transferable, non-exclusive license:

(i) to download, install, use and run for personal, non-commercial use, one (1) copy of the Apple Software directly on each Apple-branded computer running macOS Sequoia, macOS Sonoma, macOS Ventura, macOS Monterey, macOS Big Sur, or macOS Catalina ("Mac Computer") that you own or control;

(ii) If you are a commercial enterprise or educational institution, to download, install, use and run one (1) copy of the Apple Software for use either: (a) by a single individual on each of the Mac Computer(s) that you own or control, or (b) by multiple individuals on a single shared Mac Computer that you own or control. For example, a single employee may use the Apple Software on both the employee's desktop Mac Computer and laptop Mac Computer, or multiple students may serially use the Apple Software on a single Mac Computer located at a resource center or library; and

(iii) to install, use and run up to two (2) additional copies or instances of the Apple Software, or any prior macOS or OS X operating system software or subsequent release of the Apple Software, within virtual operating system environments on each Apple-branded computer you own or control that is already running the Apple Software, for purposes of: (a) software development; (b) testing during software development; (c) using macOS Server; or (d) personal, non-commercial use.

Except as expressly permitted in Section 3, the grant set forth in Section 2B(iii) above does not permit you to use the virtualized copies or instances of the Apple Software in connection with service bureau, time-sharing, terminal sharing, relay service or other similar types of services. Except as expressly permitted in this Section 2B, you may not use the Apple Software to run any Apple operating system software, including iOS, iPadOS, watchOS or tvOS, in virtual operating system environments on Mac Computer(s).

C. Volume or Maintenance License. If you obtained the Apple Software under a volume or maintenance license program with Apple, the terms of your volume or maintenance license will determine the number

of copies of the Apple Software you are permitted to download, install, use and run on Apple-branded computers you own or control. Except as agreed to in writing by Apple, all other terms and conditions of this License shall apply to your use of the Apple Software obtained under a volume or maintenance license.

D. System Requirements; Apple Account. Please note that the Apple Software is supported on only Apple-branded hardware that meets specified system requirements as indicated by Apple. In addition, use of and access to certain features of the Apple Software and certain Services (as defined in Section 6) may require you to apply for a unique user name and password combination, known as an Apple Account.

E. Fonts. Subject to the terms and conditions of this License, you may use the fonts included with the Apple Software to display and print content while running the Apple Software; however, you may only embed fonts in content if that is permitted by the embedding restrictions accompanying the font in question. These embedding restrictions can be found in the Font Book/Preview/Show Font Info panel.

F. Voices; Live Captions. Subject to the terms and conditions of this License, you may: (i) use the system voices included in the Apple Software ("System Voices") (1) while running the Apple Software and (2) to create your own original content and projects for your personal, non-commercial use; (ii) use the Live Captions automatically generated on-device in real time by the Apple Software ("Live Captions"), whether generated during a FaceTime call or otherwise, only for your personal, non-commercial use; and (iii) use the Personal Voice feature to create a voice on device that sounds like you ("Personal Voice") using your own personal voice for your personal, non-commercial use. No other creation or use of the System Voices, Live Captions or Personal Voice is permitted by this License, including but not limited to the use, reproduction, display, performance, recording, publishing or redistribution of any of the System Voices, Live Captions or Personal Voice in a profit, non-profit, public sharing or commercial context.

G. Photos App Features and Support. The Photos application of the Apple Software ("Photos App") may not support some video and photo formats. Use of some features of the Photos App will depend on the features of your camera. Synchronizing photos with the Photos App and any Apple or third party services may result in loss of data. The slideshow graphics, music and themes included with the Photos App are only for personal, non-commercial use in slideshows you create using the Photos App. You may not use, extract or distribute, commercially or otherwise, on a standalone basis, any photographs, images, graphics, artwork, audio, video or similar assets ("Digital Materials") contained within, or provided as a part of, the Photos App, or otherwise use the Digital Materials outside the context of its intended use as part of the Photos App.

H. Content Caching Features.

1. To the extent that Apple and/or its affiliates make particular software and/or content available for caching (e.g., applicable content from the Mac App Store) ("Apple Eligible Content"), certain features of the Apple Software (the "Content Caching Features") may automatically download and locally cache such Apple Eligible Content on your Apple-branded computer that is running the Apple Software (for purposes of this Section, such Apple-branded computer is referred to as the "Caching Enabled Mac"). **By using the Content Caching Features of the Apple Software, you agree that Apple may download and cache such Apple Eligible Content on your Caching Enabled Mac.** You can turn off the Content Caching Features of the Apple Software at any time by going to Sharing under System Settings on your Caching Enabled Mac.

2. The Content Caching Features of the Apple Software are for use only on a Caching Enabled Mac you own or control and solely for purposes of expediting the delivery of such Apple Eligible Content to authorized end users within your home, company or organization. You understand that such users may need to separately authenticate with Apple prior to receiving the Apple Eligible Content and that the

expedited delivery of Apple Eligible Content through the use of your Caching Enabled Mac will not modify the terms under which you or your end users receive such Apple Eligible Content.

3. You acknowledge and agree that all use of the Apple Eligible Content is subject to the applicable license terms that govern the type of Apple Eligible Content being cached. These terms may include, but are not limited to, the Apple Media Services Terms and Conditions, the iCloud Terms and Conditions, the iTunes U Instructor Agreement, the iTunes U Software License Agreement, and/or the applicable licensing terms that accompanied the software being downloaded, unless the download was accompanied by its own separate license agreement in which case the latter would apply. A list of Apple Software License Agreements (SLAs) may be found here: <https://www.apple.com/legal/sla/>. You acknowledge and agree that the use of the Content Caching Features and storage of Apple Eligible Content on your Caching Enabled Mac does not transfer to you any rights beyond those granted to you in the applicable license terms for the Apple Eligible Content and shall not constitute a grant, waiver, or other limitation of any rights of Apple or any other copyright owners in any Apple Eligible Content.

4. You are not authorized to deploy your Caching Enabled Mac with the Content Caching Features enabled on a network you do not own or control (or which you are not legally authorized to use for such purposes), or to permit access to such Apple Eligible Content from end users outside of your home, company or organization. You agree to only use the Content Caching Features for your own personal, non-commercial use or for internal use within your company or organization, and only as expressly permitted herein. You may not provide a service to third parties that integrates with or leverages services or information provided by the Content Caching Features or uses the Content Caching Features in any way.

5. By enabling the Content Caching Features of the Apple Software, you agree that Apple may store, monitor, and secure the Apple Eligible Content on your Caching Enabled Mac, and may collect and use technical information about your Caching Enabled Mac and related networks, including but not limited to, hardware identifiers and IP addresses, for such purposes. You agree not to disable, disrupt, hack, circumvent, or otherwise interfere with Apple's verification, storage or authentication mechanisms, digital signing, digital rights management, or other security mechanisms implemented in or by the Apple Software, services, the Apple Eligible Content, or other Apple software or technology, or to enable others to do so.

6. Apple reserves the right to stop making Apple Eligible Content available for caching on your Caching Enabled Mac (e.g., some content that you may have previously cached may not be available for subsequent caching) and to remove any cached Apple Eligible Content from your Caching Enabled Macs at any time in its sole discretion, and Apple shall have no liability to you in such event. You understand that such caching of Apple Eligible Content may not be available in all countries or regions. You may remove the cached Apple Eligible Content and disable the Content Caching Features at any time.

I. Remote Desktop Connections. Subject to the terms and conditions of this License, when remotely connecting from another computer or electronic device (each a "Device") to an Apple-branded computer that is running the Apple Software (for purposes of this Section, such Apple-branded computer is referred to as the "Home Mac"), whether through the Screen Sharing feature or through any other means:

(i) only one (1) Device may remotely connect at any one time, whether directly or indirectly, to control the graphical desktop session of the Apple Software that is running and being displayed on the Home Mac; and

(ii) a reasonable number of Devices may remotely connect at the same time for the sole purpose

of simultaneously observing the same graphical desktop session of the Apple Software that is running and being displayed on the Home Mac, as long as they do not control the Apple Software in any way; but

(iii) only one (1) Apple-branded Device may remotely connect at any one time, whether directly or indirectly, to control a separate graphical desktop session of the Apple Software that is different from the one running and being displayed on the Home Mac, and such connection may only be made through the Screen Sharing feature of the Apple Software.

Except as expressly permitted in this Section 2I or Section 3, or except as otherwise licensed by Apple, you agree not to use the Apple Software, or any of its functionality, in connection with service bureau, time-sharing, terminal sharing or other similar types of services, whether such services are being provided within your own organization or to third parties.

J. Other Use Restrictions. The grants set forth in this License do not permit you to, and you agree not to, install, use or run the Apple Software on any non-Apple-branded computer, or to enable others to do so. You agree not to remove, obscure, or alter any proprietary notices (including trademark and copyright notices) that may be affixed to or contained within the Apple Software. Except as otherwise permitted by the terms of this License or otherwise licensed by Apple: (i) only one user may use the Apple Software at a time, and (ii) you may not make the Apple Software available over a network where it could be run or used by multiple computers at the same time. Except as expressly permitted in Section 3, you may not rent, lease, lend, sell, redistribute or sublicense the Apple Software.

K. Backup Copy. You may make one copy of the Apple Software (excluding the Boot ROM code and other Apple firmware that is embedded or otherwise contained in Apple-branded hardware) in machine-readable form for backup purposes only; provided that the backup copy must include all copyright or other proprietary notices contained on the original. Apple Boot ROM code and firmware is provided only for use on Apple-branded hardware and you may not copy, modify or redistribute the Apple Boot ROM code or firmware, or any portions thereof.

L. Migration of Existing Software. If you use Setup/Migration Assistant to transfer software from one Apple-branded computer to another Apple-branded computer, please remember that continued use of the original copy of the software may be prohibited once a copy has been transferred to another computer, unless you already have a licensed copy of such software on both computers. You should check the relevant software license agreements for applicable terms and conditions. Third party software and services may not be compatible with this Apple Software and installation of this Apple Software may affect the availability and usability of such third party software or services.

M. Open Source. Certain components of the Apple Software, and third party open source programs included with the Apple Software, have been or may be made available by Apple on its Open Source web site (<https://www.opensource.apple.com/>) (collectively the "Open-Sourced Components"). You may modify or replace only these Open-Sourced Components; provided that: (i) the resultant modified Apple Software is used, in place of the unmodified Apple Software, on Apple-branded computers you own or control, as long as each such Apple computer has a properly licensed copy of the Apple Software on it; and (ii) you otherwise comply with the terms of this License and any applicable licensing terms governing use of the Open-Sourced Components. Apple is not obligated to provide any updates, maintenance, warranty, technical or other support, or services for the resultant modified Apple Software. You expressly acknowledge that if failure or damage to Apple hardware results from modification of the Open-Sourced Components of the Apple Software, such failure or damage is excluded from the terms of the Apple hardware warranty.

N. No Reverse Engineering. You may not, and you agree not to or enable others to, copy (except as

expressly permitted by this License or by the Usage Rules if they are applicable to you), decompile, reverse engineer, disassemble, attempt to derive the source code of, decrypt, modify, or create derivative works of the Apple Software or any services provided by the Apple Software or any part thereof (except as and only to the extent any foregoing restriction is prohibited by applicable law or by licensing terms governing use of Open-Sourced Components that may be included with the Apple Software).

O. Compliance with Laws. You agree to use the Apple Software and the Services (as defined in Section 6 below) in compliance with all applicable laws, including local laws of the country or region in which you reside or in which you download or use the Apple Software and Services. You further agree not to use Apple Software and Services to generate artificial content (including, for example, artificial explicit or sexual content) in any manner that is prohibited by applicable law. Features of the Apple Software and the Services may not be available in all languages or regions, and some features may vary by region. Some features or content of the Apple Software and Services may be subject to additional terms or restrictions. An Internet connection is required for some features of the Apple Software and Services.

P. Third Party Software. Apple has provided as part of the Apple Software package, and may provide as an upgrade, update or supplement to the Apple Software, access to certain third party software or services as a convenience. To the extent that the Apple Software contains or provides access to any third party software or services, Apple has no express or implied obligation to provide any technical or other support for such software or services. Please contact the appropriate software vendor, manufacturer or service provider directly for technical support and customer service related to its software, service and/or products.

Q. Apple Software Changes. The Apple Software will periodically check with Apple for Apple Software Changes. If a change is available, the change may automatically download and install onto your computer and, if applicable, your peripheral devices. **By using the Apple Software, you agree that Apple may download and install automatic Apple Software Changes onto your computer and your peripheral devices.** You can turn off automatic operating system updates and Rapid Security Responses at any time by adjusting the settings found within System Settings > Software Update > Advanced.

R. System Characters. Subject to the terms and conditions of this License, you may use the Genmoji and Memoji characters included in or created with the Apple Software ("System Characters"): (i) while running the Apple Software; and (ii) to create your own original content and projects for your personal, non-commercial use. No other use of the System Characters is permitted by this License, including but not limited to the use, reproduction, display, performance, recording, publishing or redistribution of any of the System Characters in a profit, non-profit, public sharing or commercial context.

3. Leasing for Permitted Developer Services.

A. Leasing. You may lease or sublease a validly licensed version of the Apple Software in its entirety to an individual or organization (each, a "Lessee") provided that all of the following conditions are met:

(i) the leased Apple Software must be used for the sole purpose of providing Permitted Developer Services and each Lessee must review and agree to be bound by the terms of this License;

(ii) each lease period must be for a minimum period of twenty-four (24) consecutive hours;

(iii) during the lease period, the End User Lessee must have sole and exclusive use and control of the Apple Software and the Apple-branded hardware on which it is installed, except that you, as the party leasing the Apple Software ("Lessor"), may provide administrative support for the

Apple Software; and

(iv) prior to using the Apple Software, the End User Lessee must review and agree to be bound by the terms applicable to any software preinstalled on the Apple Software, including, but not limited to Apple's Xcode developer software and any other Apple or third-party software.

For purposes of this Section 3: (A) End User Lessee means a Lessee who is the end user ultimately using the leased Apple Software solely for Permitted Developer Services; and (B) Permitted Developer Services means continuous integration services, including but not limited to software development, building software from source, automated testing during software development, and running necessary developer tools to support such activities. Each Lessor must provide Apple with advance notice prior to leasing or subleasing the Apple Software pursuant to this Section 3 by contacting Apple Developer Relations (<https://developer.apple.com/contact/macOS-license/>).

B. Subleasing. A Lessee may further sublease the Apple Software pursuant to this Section 3 provided that such Lessee complies with all of the terms of this Section 3. A Lessee subleasing the Apple Software (who shall also be considered a Lessor under this Section 3) must fully relinquish exclusive use and control of the Apple Software and the Apple-branded hardware on which it is installed to its Lessee during the lease period.

C. Enforcement. As a Lessor, you shall be responsible for: (i) ensuring that each Lessee complies with the requirements of this Section 3; (ii) ensuring each Lessee agrees to all applicable license terms; and (iii) assisting Apple in enforcing compliance therewith. If a Lessee breaches this License or other applicable Apple license terms, their rights to use the Apple Software shall automatically terminate and you agree to immediately terminate such Lessee's use of the Apple Software upon your discovery of such breach or upon written notice from Apple of such breach.

D. Virtualization. For each copy of the Apple Software subject to a lease under this Section 3, either a Lessor or a Lessee (but not both) may install, use and run additional copies or instances of the Apple Software within virtual operating system environments in accordance with Section 2B(iii), provided that a Lessor may only virtualize a single instance or copy of the Apple Software as a provisioning tool for the purpose of providing a Lessee with access to and use of the Apple Software pursuant to this Section 3.

E. System Configuration. If you are a Lessee, you acknowledge that the Apple Software may have been previously configured by the Lessor who is leasing the Apple Software to you, including the selection of settings for Analytics, Location Services, and other security, privacy and data collection-related features. You acknowledge and agree that Apple is not responsible for the configuration of the Apple Software by the Lessor.

4. Transfer.

A. If you obtained the Apple Software preinstalled on Apple-branded hardware or if you obtained your license to the Apple Software from the Mac App Store or through a software update, you may make a one-time permanent transfer of all of your license rights to the Apple Software (in its original form as provided by Apple) to another party, provided that: (i) the Apple Software is transferred together with your Apple-branded hardware; (ii) the transfer must include all of the Apple Software, including all its component parts and this License; (iii) you do not retain any copies of the Apple Software, full or partial, including copies stored on a computer or other storage device; and (iv) the party receiving the Apple Software reads and agrees to accept the terms and conditions of this License. For purposes of this License, if Apple provides an update (e.g., version 10.14 to 10.14.1) to the Apple Software, the update is considered part of the Apple Software and may not be transferred separately from the pre-update version of the Apple Software.

B. You may not transfer any Apple Software that has been modified or replaced under Section 2M above. All components of the Apple Software are provided as part of a bundle and may not be separated from the bundle and distributed as standalone applications. Note that the Apple Software provided with a particular Apple-branded hardware product might not run on other models of Apple-branded hardware.

C. Any copy of the Apple Software that may be provided by Apple for promotional, evaluation, diagnostic or restorative purposes may be used only for such purposes and may not be resold or transferred.

D. Apple may assign all or any portion of this License or any rights or obligations hereunder to any Apple affiliate or subsidiary at any time without notice.

5. Consent to Use of Data. Certain features like Analytics, Location Services, Siri, Dictation and Spotlight may require information from your computer to provide their respective functions. When you turn on or use these features, details will be provided regarding what information is sent to Apple and how the information may be used. You can learn more by visiting <https://www.apple.com/privacy/>. At all times your information will be treated in accordance with Apple's Privacy Policy, which can be viewed at: <https://www.apple.com/legal/privacy/>.

6. Apple Software, Services, and Third Party Materials.

A. General. The Apple Software may enable access to Apple's iTunes Store, Mac App Store, Apple Books, Game Center, iCloud, Maps, News and other Apple and third party services and web sites (collectively and individually, "Services"). Use of these Services requires Internet access and use of certain Services may require an Apple Account, may require you to accept additional terms and may be subject to additional fees. By using this software in connection with an Apple Account, or other Apple Services, you agree to the applicable terms of service, such as the latest Apple Media Services Terms and Conditions for the country or region in which you access such Services, which you may access and review at <https://www.apple.com/legal/internet-services/itunes/>.

B. If you sign up for iCloud, certain iCloud features like "iCloud Drive", "Shared Albums" and "Find My" may be accessed directly from the Apple Software. You acknowledge and agree that your use of iCloud and these features is subject to the latest terms and conditions of the iCloud service, which you may access and review at: <https://www.apple.com/legal/internet-services/icloud/>.

C. News App Content. Your use of content accessed through the News application is limited solely to personal, noncommercial use, does not transfer any ownership interest to you in the content, and specifically excludes, without limitation, any commercial or promotional use rights in such content.

D. Maps. The maps service and features of the Apple Software ("Maps"), including map data coverage, may vary by region. When you turn on or use Maps, details will be provided regarding what information is sent to Apple and how the information may be used. You acknowledge and agree that your use of Maps is subject to the latest terms and conditions of the Maps service, which you may access and review on the sidebar of the Maps application.

E. You understand that by using any of the Apple Software and Services, you may encounter content that may be deemed offensive, indecent, or objectionable, which content may or may not be identified as having explicit language, and that the results of any search or entering of a particular URL may automatically and unintentionally generate links or references to objectionable material. Nevertheless, you agree to use the Apple Software and Services at your sole risk and that Apple, its affiliates, agents, principals, or licensors shall have no liability to you for content that may be found to be offensive, indecent, or objectionable.

F. Certain Apple Software and Services may display, include or make available content, data, information, applications or materials from third parties ("Third Party Materials") or provide links to certain third party web sites. By using the Apple Software and Services, you acknowledge and agree that Apple is not responsible for examining or evaluating the content, accuracy, completeness, timeliness, validity, copyright compliance, legality, decency, quality or any other aspect of such Third Party Materials or web sites. Apple, its officers, affiliates and subsidiaries do not warrant or endorse and do not assume and will not have any liability or responsibility to you or any other person for any third-party Services, Third Party Materials or web sites, or for any other materials, products, or services of third parties. Third Party Materials and links to other web sites are provided solely as a convenience to you.

G. Neither Apple nor any of its content providers guarantees the availability, accuracy, completeness, reliability, or timeliness of stock information, location data, health information or any other data displayed by any Apple Software and Services. Financial information displayed by any Apple Software and Services is for general informational purposes only and should not be relied upon as investment advice. Before executing any securities transaction based upon information obtained through the Apple Software and Services, you should consult with a financial or securities professional who is legally qualified to give financial or securities advice in your country or region. You should evaluate the outputs generated by artificial intelligence for accuracy and appropriateness for your use case, including using human review as appropriate, before using or sharing the outputs from the Apple Software and Services. Location data provided by any Apple Software and Services, including the Apple Maps service, is provided for basic navigational and/or planning purposes only and is not intended to be relied upon in situations where precise location information is needed or where erroneous, inaccurate, time-delayed or incomplete location data may lead to death, personal injury, or property or environmental damage. You agree that the results you receive from the Maps service may vary from actual road or terrain conditions due to factors that can affect the accuracy of the Maps data, such as, but not limited to, weather, road and traffic conditions, and geopolitical events. For your safety, always pay attention to posted road signs and current road conditions. Follow safe driving practices and traffic regulations, and note that cycling and walking directions may not include designated pathways.

H. To the extent that you transmit any content through the use of the Apple Software and Services, you represent that you own all rights in, or have authorization or are otherwise legally permitted to transmit, such content and that such content does not violate any terms of service applicable to the Apple Software and Services. You agree that the Apple Software and Services contain proprietary content, information and material that is owned by Apple, the site owner or their licensors, and is protected by applicable intellectual property and other laws, including but not limited to copyright. You agree that you will not use such proprietary content, information or materials other than for permitted use of the Apple Software and Services or in any manner that is inconsistent with the terms of this License or that infringes any intellectual property rights of a third party or Apple. No portion of the Apple Software and Services may be reproduced in any form or by any means. You agree not to modify, rent, lease, loan, sell, distribute, or create derivative works based on the Apple Software and Services, in any manner, and you shall not exploit the Apple Software and Services in any unauthorized way whatsoever, including but not limited to, using the Apple Software and Services to transmit any computer viruses, worms, trojan horses or other malware, or by trespass or burdening network capacity. You further agree not to use the Apple Software and Services in any manner to spam, defraud, harass, abuse, stalk, threaten, defame or otherwise infringe or violate the rights of any other party, and that Apple is not in any way responsible for any such use by you, nor for any harassing, threatening, defamatory, offensive, infringing or illegal messages or transmissions that you may receive as a result of using any of the Apple Software and Services.

I. Certain Apple Software, Services, and Third Party Materials may not be available in all languages or in

all countries or regions. Apple makes no representation that such Apple Software, Services, and Third Party Materials are appropriate or available for use in any particular location. To the extent you choose to use or access such Apple Software, Services, or Third Party Materials, you do so at your own initiative and are responsible for compliance with any applicable laws, including but not limited to applicable local laws and privacy and data collection laws. Apple and its licensors reserve the right to change, suspend, remove, or disable access to any Apple Software and Services at any time without notice. In no event will Apple be liable for the removal of or disabling of access to any such Apple Software and Services. Apple may also impose limits on the use of or access to certain Apple Software and Services, in any case and without notice or liability.

7. Termination. This License is effective until terminated. Your rights under this License will terminate automatically or otherwise cease to be effective without notice from Apple if you fail to comply with any term(s) of this License. Upon the termination of this License, you shall cease all use of the Apple Software and destroy all copies, full or partial, of the Apple Software. Sections 5, 6, 7, 8, 9, 11, 12 and 13 of this License shall survive any such termination.

8. Disclaimer of Warranties.

A. If you are a customer who is a consumer (someone who uses the Apple Software outside of your trade, business or profession), you may have legal rights in your country of residence which would prohibit the following limitations from applying to you, and where prohibited they will not apply to you. To find out more about rights, you should contact a local consumer advice organization and refer to the Jurisdictional Supplement.

B. YOU EXPRESSLY ACKNOWLEDGE AND AGREE THAT, TO THE EXTENT PERMITTED BY APPLICABLE LAW, USE OF THE APPLE SOFTWARE AND ANY SERVICES PERFORMED BY OR ACCESSED THROUGH THE APPLE SOFTWARE IS AT YOUR SOLE RISK AND THAT THE ENTIRE RISK AS TO SATISFACTORY QUALITY, PERFORMANCE, ACCURACY AND EFFORT IS WITH YOU.

C. TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, THE APPLE SOFTWARE AND SERVICES ARE PROVIDED "AS IS" AND "AS AVAILABLE", WITH ALL FAULTS AND WITHOUT WARRANTY OF ANY KIND, AND APPLE AND APPLE'S LICENSORS (COLLECTIVELY REFERRED TO AS "APPLE" FOR THE PURPOSES OF SECTIONS 8 AND 9) HEREBY DISCLAIM ALL WARRANTIES AND CONDITIONS WITH RESPECT TO THE APPLE SOFTWARE AND SERVICES, EITHER EXPRESS, IMPLIED OR STATUTORY, INCLUDING, BUT NOT LIMITED TO, THE IMPLIED WARRANTIES AND/OR CONDITIONS OF MERCHANTABILITY, SATISFACTORY QUALITY, FITNESS FOR A PARTICULAR PURPOSE, ACCURACY, QUIET ENJOYMENT, AND NON-INFRINGEMENT OF THIRD PARTY RIGHTS.

D. APPLE DOES NOT WARRANT AGAINST INTERFERENCE WITH YOUR ENJOYMENT OF THE APPLE SOFTWARE AND SERVICES, THAT THE FUNCTIONS CONTAINED IN, OR SERVICES PERFORMED OR PROVIDED BY, THE APPLE SOFTWARE WILL MEET YOUR REQUIREMENTS, THAT THE OPERATION OF THE APPLE SOFTWARE AND SERVICES WILL BE UNINTERRUPTED OR ERROR-FREE, THAT ANY SERVICES WILL CONTINUE TO BE MADE AVAILABLE, THAT DEFECTS IN THE APPLE SOFTWARE OR SERVICES WILL BE CORRECTED, OR THAT THE APPLE SOFTWARE OR SERVICES WILL BE COMPATIBLE OR WORK WITH ANY THIRD PARTY SOFTWARE, APPLICATIONS OR THIRD PARTY SERVICES. INSTALLATION OF THIS APPLE SOFTWARE MAY AFFECT THE AVAILABILITY AND USABILITY OF THIRD PARTY SOFTWARE, APPLICATIONS OR THIRD PARTY SERVICES, AS WELL AS APPLE PRODUCTS AND SERVICES.

E. YOU FURTHER ACKNOWLEDGE THAT THE APPLE SOFTWARE AND SERVICES ARE NOT INTENDED OR SUITABLE FOR USE IN SITUATIONS OR ENVIRONMENTS WHERE THE FAILURE OR TIME DELAYS OF, OR ERRORS OR INACCURACIES IN THE CONTENT, DATA OR INFORMATION PROVIDED BY THE APPLE SOFTWARE OR SERVICES COULD LEAD TO DEATH, PERSONAL INJURY,

OR SEVERE PHYSICAL OR ENVIRONMENTAL DAMAGE, INCLUDING WITHOUT LIMITATION THE OPERATION OF NUCLEAR FACILITIES, AIRCRAFT NAVIGATION OR COMMUNICATION SYSTEMS, AIR TRAFFIC CONTROL, LIFE SUPPORT OR WEAPONS SYSTEMS.

F. NO ORAL OR WRITTEN INFORMATION OR ADVICE GIVEN BY APPLE OR AN APPLE AUTHORIZED REPRESENTATIVE SHALL CREATE A WARRANTY. SHOULD THE APPLE SOFTWARE OR SERVICES PROVE DEFECTIVE, YOU ASSUME THE ENTIRE COST OF ALL NECESSARY SERVICING, REPAIR OR CORRECTION. SOME JURISDICTIONS DO NOT ALLOW THE EXCLUSION OF IMPLIED WARRANTIES OR LIMITATIONS ON APPLICABLE STATUTORY RIGHTS OF A CONSUMER, SO THE ABOVE EXCLUSION AND LIMITATIONS MAY NOT APPLY TO YOU.

9. Limitation of Liability. EXCEPT AS OTHERWISE PROVIDED IN THIS LICENSE, TO THE EXTENT NOT PROHIBITED BY APPLICABLE LAW, IN NO EVENT SHALL APPLE, ITS AFFILIATES, AGENTS OR PRINCIPALS BE LIABLE FOR PERSONAL INJURY, OR ANY INCIDENTAL, SPECIAL, INDIRECT OR CONSEQUENTIAL DAMAGES WHATSOEVER, INCLUDING, WITHOUT LIMITATION, DAMAGES FOR LOSS OF PROFITS, CORRUPTION OR LOSS OF DATA, FAILURE TO TRANSMIT OR RECEIVE ANY DATA OR INFORMATION (INCLUDING WITHOUT LIMITATION COURSE INSTRUCTIONS, ASSIGNMENTS AND MATERIALS), BUSINESS INTERRUPTION OR ANY OTHER COMMERCIAL DAMAGES OR LOSSES, ARISING OUT OF OR RELATED TO YOUR USE OR INABILITY TO USE THE APPLE SOFTWARE OR SERVICES OR ANY THIRD PARTY SOFTWARE, APPLICATIONS OR SERVICES IN CONJUNCTION WITH THE APPLE SOFTWARE OR SERVICES, HOWEVER CAUSED, REGARDLESS OF THE THEORY OF LIABILITY (CONTRACT, TORT OR OTHERWISE) AND EVEN IF APPLE HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. SOME JURISDICTIONS DO NOT ALLOW THE EXCLUSION OR LIMITATION OF LIABILITY FOR PERSONAL INJURY, OR OF INCIDENTAL OR CONSEQUENTIAL DAMAGES, SO THIS LIMITATION MAY NOT APPLY TO YOU. In no event shall Apple's total liability to you for all damages (other than as may be required by applicable law in cases involving personal injury) exceed the amount of two hundred and fifty dollars (U.S.\$250.00). The foregoing limitations will apply even if the above stated remedy fails of its essential purpose.

10. Export Control. You may not use or otherwise export or reexport the Apple Software except as authorized by United States law and the laws of the jurisdiction(s) in which the Apple Software was obtained. In particular, but without limitation, the Apple Software may not be exported or re-exported (a) into any U.S. embargoed countries or (b) to anyone on the U.S. Treasury Department's list of Specially Designated Nationals or the U.S. Department of Commerce Denied Person's List or Entity List or any other restricted party lists. By using the Apple Software, you represent and warrant that you are not located in any such country or on any such list. You also agree that you will not use the Apple Software for any purposes prohibited by United States law, including, without limitation, the development, design, manufacture or production of missiles, nuclear, chemical or biological weapons.

11. Government End Users and HIPAA Covered Entities and Business Associates

A. Government End Users. The Apple Software and related documentation are "Commercial Products", as that term is defined at 48 C.F.R. §2.101, consisting of "Commercial Computer Software" and "Commercial Computer Software Documentation", as such terms are used in 48 C.F.R. §12.212 or 48 C.F.R. §227.7202, as applicable. Consistent with 48 C.F.R. §12.212 or 48 C.F.R. §227.7202-1 through 227.7202-4, as applicable, the Commercial Computer Software and Commercial Computer Software Documentation are being licensed to U.S. Government end users (a) only as Commercial Products and (b) with only those rights as are granted to all other end users pursuant to the terms and conditions herein. Unpublished-rights reserved under the copyright laws of the United States.

B. HIPAA Covered Entities and Business Associates. If you are a HIPAA covered entity or business associate, you will not use the Apple Software, Apple Services, or any component or function thereof, to create, receive, maintain or transmit any sensitive, individually-identifiable health information, including

protected health information, or use the Apple Software or Apple Services in any manner that would make Apple (or any Apple Subsidiary) your or any third party's business associate. The terms used in this section shall have the same meaning as defined in 45 CFR §160.103.

12. Controlling Law and Severability. This License will be governed by and construed in accordance with the laws of the State of California, excluding its conflict of law principles. (a) The software (including Boot ROM code, embedded software and third party software), documentation, interfaces, content, fonts and any data that came with your Device ("Original Apple Software"), as may be updated or replaced by feature enhancements, software updates, security responses, system files, or system restore software provided by Apple for your Device or supported peripheral device ("Apple Software Changes"), whether in read only memory, on any other media or in any other form (the Original Apple Software and Apple Software Changes are collectively referred to as the "Apple Software") are licensed, not sold, to you by Apple Inc. ("Apple") for use only under the terms of this License. Apple and its licensors retain ownership of the Apple Software itself and reserve all rights not expressly granted to you. You agree that the terms of this License will apply to any Apple-branded app that may be built-in on your Device, unless such app is accompanied by a separate license, in which case you agree that the terms of that license will govern your use of that app.

(b) Apple, at its discretion, may make available future Apple Software Changes. The Apple Software Changes, if any, may not necessarily include all existing software features or new features that Apple releases for newer or other models of Devices. The terms of this License will govern any Apple Software Changes provided by Apple, unless such Apple Software Change is accompanied by a separate license, in which case you agree that the terms of that license will govern.

(c) If you use the express setup feature to set up a new Device based on your existing Device, you agree that the terms of this License will govern your use of the Apple Software on your new Device, unless it is accompanied by a separate license, in which case you agree that the terms of that license will govern your use of that Apple Software. Your Device will periodically check with Apple for Apple Software Changes. If a change is available, the change may automatically download and install onto your Device and, if applicable, your peripheral devices. **By using the Apple Software, you agree that Apple may download and install automatic Apple Software Changes onto your Device and your peripheral devices.** You can turn off automatic installation of operating system updates at any time by adjusting the Automatic Updates settings found within Settings > General > Software Update. Some system files (including, without limitation, updated fonts, language models, voice assets, and firmware for peripherals) may continue to be automatically installed such as when you turn on or use certain features and peripherals, or to address legal, regulatory, public safety, or technical considerations.

For clarity, the rights granted under this License allow you to use Apple Software with third party software solely to the extent Apple has authorized the third party software to use Apple's proprietary interfaces or protocols. This License does not grant you any rights to use Apple proprietary interfaces and other intellectual property in the design, development, manufacture, licensing or distribution of third party devices and accessories, or third party software applications, for use with Devices. Some of those rights are available under separate licenses from Apple.
