RE: Google Workspace for Education Plus

The Google Workspace for Education for our district is up for renewal. Google Workspace for Education has been a valuable tool for schools and district departments. It offers benefits like enhanced collaboration and communication through tools like Classroom and Meet, improved security and data privacy, and streamlined classroom management with tools for assigning and grading work. It also enables flexible, accessible learning from anywhere. The cost to renew is \$60,316.50, which works out to be a little less than \$5 per student. The renewal agreement is attached.

I ask that we continue with Google Workspace for Education, as it has proven valuable to our district over the years. Thanks!
