

Johnson 5th Grade Leadership Roles

Leadership

JES 5th Grade Leadership Application

We are excited to have our 5th graders step up as leaders at Johnson! We know each of you have so much to contribute to our school and we can't wait to see you SHINE!

Families: We are so excited to introduce our current 5th grade students to leadership positions here at Johnson! Each 5th grader has the opportunity to apply for a minimum of two jobs they are interested in and each student will be hired for one.

Please note that some jobs have different time commitments. We ask that you sit down with your child to review the job descriptions together and choose roles that are the best fit for them and your family's schedule. This will help ensure they can fully commit to both the responsibilities and the required time.

There will be a box at the end of the Google form application that the student will need to check that states they have parent permission to apply for these jobs. Please only apply for the position(s) you feel you are qualified for and would be able to attend at the designated times. You will need to provide a brief explanation as to why you are qualified or how you hope to grow as a result of being chosen for a position.

Every 5th grade student will be notified which leadership job they are "hired" for, as well as the start date. This will also be communicated with parents. All leadership applications are to be completed by Oct. 1st.

This form is automatically collecting emails from all respondents. Change settings
