NFHS Section 2 Meeting

**Takeaways to help
Board and Staff**

Thank you for the opportunity to attend the professional development and networking opportunity at the NFHS Section 2 meeting in Baltimore. This meeting was vital and allows for KHSAA staff to interact with other state association peers. Attending this meeting were representatives from the state association's office staff from Delaware, DC, Kentucky, Maryland, Ohio, Pennsylvania, Virginia and West Virginia. The meeting served as a vital opportunity to gather new information, exchange insights, and collaborate with representatives from other state associations. As staff, we were able to engage in productive discussions focused on sharing best practices and innovative strategies of the current high school sports industry. Information and perspectives from comparable states were gathered to help inform and enhance future planning and decision-making.
