Fall Volleyball

**Positive Developments
and Highlights**

The season concluded this past weekend and there were no major issues/concerns during this playing season.

**Issues of Concern
(legal, playing Rules,
fiscal management,
etc.)**

Reminder that in 2026-2027, by state adoption, the use of a textured surface for the ball would be addressed. No real response from the schools that play girls' volleyball to consider this at this time.

**Championship

The Girls' State Volleyball Tournament concluded at George Rogers Clark High School. Thanks to those Board members who were in attendance. Positive feedback in the continuance of partnership with the Kentucky Volleyball Coaches Association in recognizing their player and coach of the year honorees between the two semifinal matches.

**Officials

Will continue to work with local Assignors with regard to training and evaluation tools to assist a grassroots effort of officiating.

**Fiscal and Budget

(attendance, etc.)**

Attendance was up at the state first round sites, including overall championship revenue. No budget concerns regarding the event.
