Public Schools

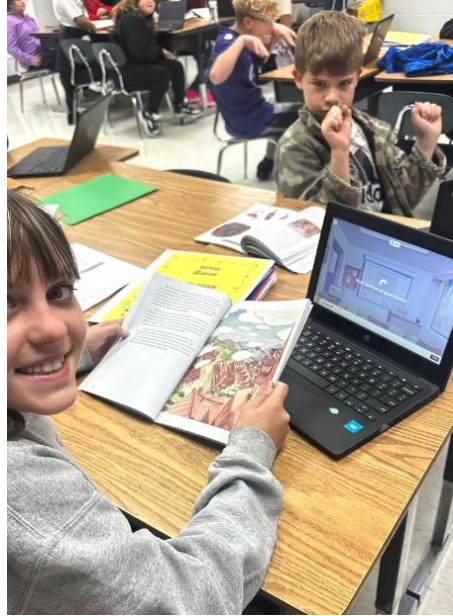

Superintendent's Report
Monday, November 10

Facilities

The new band tower at MCHS was installed Friday.

Vibrant Learning

LES 5th graders in Mrs. Stine's reading class recently wrapped up their Unit 2 CKLA lesson on ancient civilizations.

The unit included playing a traditional Mayan game, creating a Codex book, and a presentation from a guest speaker who is of Mayan descent.

Vibrant Learning

GES students in Ms. Allen's class concluded their poetry unit with a Poetry Cafe activity where students took turns reading their original poems and were then applauded with finger snaps.

Student Achievement

MCHS junior Trinity Hughes had her design selected to be entered in the Crosley Custom Cruiser Contest where students decorate a record player based on the theme of “Band Together.”

Hughes and a small group of classmates decorated the record player based on her design, and it was then entered in a national contest.

Student Achievement

The Glasscock Elementary Beta club is currently hosting a shoe drive. The club will receive funds based on the amount of shoes they donate and those funds will then be used to purchase wreaths for Wreaths Across America.

Peak Moments

All of Marion County Middle School attended a field trip to the Lexington Children's Theatre to see a performance of *The Legend of Sleepy Hollow*.

Peak Moments

International students from Campbellsville University visited Lebanon Middle School to speak to the Cultural Diversity club.

Peak Moments

The JAG program at MCHS recently held its Initiation and Installation ceremony.

Students recited the membership pledge and were individually recognized during a symbolic candle-lighting ceremony.

Peak Moments

Cafeteria staff members across the district dressed up for Halloween.

Peak Moments

The Agriculture department at Marion County High School went on a multi-day field trip that included trips to a research facility, the St. Louis zoo, and the Kansas City Royals' stadium.

Community

Leadership Lebanon visited the district last week touring schools and facilities while learning more about school operations.
