### ELIZABETHTOWN HIGH SCHOOL

JOSEPH WHELAN

Joseph Whelan is our EHS November Student of the Month. He is the son of Joseph and Yanaliz Whelan. As a student of Elizabethtown High School, Joseph has been involved in Beta Club. He has also played Soccer and participated in Track all four years of High School. Joseph joined the Elizabethtown High School Football Team this year. Joseph's plans for the future include attending the University of Kentucky or the University of Louisville. His future goals are to become a Nurse Practitioner. Joseph's favorite memory at EHS is when the boys played VolleyBall Powder Puff his Junior Year.

Coach Shearer: Joseph has done a great job on the soccer team this season. Joseph came into the season knowing that the team would need him to play a bigger role and unfortunately had to start the season not getting to play because of injury. However, he did not get discouraged and when he came back he made an immediate positive impact for the team. By the end of the season, Joseph was playing the important role that the team needed and was a major portion of the team's late success and district championship.

Coach Mattingly: Joseph is a bright and confident young man that is very driven by goals. I know for a fact that Joe will be not only a productive member of society but he will also give back to those around him.

Ms. Laperle: Joseph is an incredibly thoughtful student. He brings our classroom discussions to a higher level, no matter what we are talking about (whether it's attention or blindness or language—he thinks deeply about everything). His writing is surprising and intuitive. He brings so much joy and laughter to our 5th period class. He's one of those students who truly makes teaching pleasurable.

Mr. Thompson: Having Joseph in AP World History was a true joy. He brought enthusiasm and a positive spirit to every class. A dedicated and talented student, Joseph shines both in the classroom and on the field, earning the admiration of teachers and classmates alike. His work ethic, kindness, and leadership make him truly deserving of this honor. I'll always count him among my all-time favorite students.

Amyah loves TK because of the people and all of her friends. She is looking forward to going to EHS next year where she expects to enjoy the sports and more independence. In the future she is interested in playing college sports and possibly becoming a veterinarian.

Amyah's role model is Meliah Courtney, who is a leader on the basketball court. She is kind and helpful to younger players and models how to handle mistakes by jumping right back into the game.

Amyah consistently demonstrates a positive attitude, strong work ethic, and a genuine curiosity for learning. Her kindness, responsibility, and dedication make her a role model for others. - Mr. Tefft

## STUDENT OF THE MONTH

Camden,

Congrats on being named  
Helmwood Height Elementary  
School's Student of the Month!

#PantherPride

### HELMWOOD HEIGHTS ELEMENTARY SCHOOL

Camden is a great example of what a leader looks like. He shows up everyday with a smile on his face and comes in ready to work hard. He is respectful to not only his classmates, but all of the adults he encounters on a daily basis. He treats those around him with kindness, and is always willing to step in and help. He goes above and beyond not just school and classroom expectations, but academic ones as well. He is always figuring out new ways to solve problems or bringing good ideas to our class conversations. He is a role model student and displays this every single day! - Mrs. Whitaker 3rd grade teacher

Camden is an incredibly bright and hardworking student with a heart of gold. He's not only an amazing reader, mathematician, and creative writer, but also one of the kindest and most generous kids you'll meet. Though he can be a bit quiet, his witty sense of humor and quirky personality shine through in the best ways. I really enjoyed having him in my second grade class last year. Camden's curiosity, creativity, and compassion make him truly special—he's so deserving of this recognition! — Mrs. Fulkerson (2nd grade teacher)

Camden is a shining example of the true spirit of a "Panther" and is very deserving of this honor! He exhibits an extraordinary work ethic, a positive growth mindset, and an intrinsic motivation that is uncommon for his young age. He encourages his classmates with thoughtful, supportive comments when the opportunity arises. His strong leadership skills leave a positive influence on those around and unbeknownst to him, his impact instills in me a desire to be a better educator for my students. He has a canning knack for being very serious and focused on the task at hand, yet throwing out a humorous comment or funny figure of speech related to the topic at the most opportune moment. His creative insight and unique perspective have many times left me in awe. I am so proud of this young man and feel truly blessed to have the privilege of watching him grow into an incredible lifelong learner who will leave a lasting legacy in the E-town community!
