

Kenton County School District | *It's about ALL kids.*

Issue Paper

DATE:

11-11-25

AGENDA ITEM (ACTION ITEM):

Consider/Approve a six month (instead of annual) sales order renewal between Kenton County Student Nutrition and Nutrislice.

APPLICABLE BOARD POLICY:

Powers and Duties of the Board of Education 01.1

HISTORY/BACKGROUND:

Nutrislice is an online platform to deliver menus to the Kenton County School District community. Nutrislice provides access to menus, nutrition information, and allergen information through the website or smartphone application. The School and Community Nutrition division of the Kentucky Department of Education (KDE) has begun offering Mosaic Back of House (BOH) software, that will provide these functions, at no charge. Not only is it fiscally responsible to change to the software that does not cost the department money, but our district has already been utilizing Mosaic Point of Sale (POS) software for several years. Thus, the BOH software will coincide with our current POS software, and KDE is offering support during the transition. The BOH software has already been piloted and implemented in the first group of Kentucky school districts; KCS D is in the second group. Importing and data entry for the Mosaic BOH software began in October 2025 in our district and should be complete within the next several months. The shortest contract renewal with Nutrislice is six months, which will provide the needed support in the transition to full implementation of Mosaic BOH.

FISCAL/BUDGETARY IMPACT:

Six month subscription fee to be paid by Student Nutrition is \$3,068.22.

RECOMMENDATION:

Approval to renew the sales order for six months between Kenton County Student Nutrition and Nutrislice.
