Fall Field Hockey

**Positive Developments
and Highlights**

The season concluded the last week of October with no issues related to schedule or play. Schools were appreciative of the new tournament schedule with additional rest days in between rounds.

**Championship
Update/Review**

The state tournament concluded on October 29, with Sacred Heart earning a 3–1 victory over CAL in a competitive championship match. Both teams represented their schools well and showed impressive resilience while managing the weather challenges during the final week.

**Fiscal and Budget
Issues and Review
(attendance, etc.)**

Ticket sales for the semifinal round increased by 157 compared to last year, despite the weather conditions. This game was previously held on a Saturday, and the move to Monday appears to have had a positive impact on attendance. Finals ticket sales, however, were down by 624 compared to 2024, likely due to the poor weather conditions during the event.
