RE: Henderson County Salary Schedule Amendment Request

Please consider this request to amend the 2025-26 Henderson County Schools Salary Schedule with the following:

- Change Data Dictionary Specialist (MUNIS code 7517) from pay grade 24 to pay grade 25.
  - This was inadvertently omitted in the original salary schedule changes June 2025 so we respectfully request this be considered a change for the entire school year. It is part of a restructure of the technology department due to a retirement at the end of the 24-25 school year that resulted in an overall cost savings for the department.

Thank you for your consideration of this request.
