Good afternoon,

I hope everyone is doing well.

Below are the results of Proposal 2A. Thank you to everyone for taking the time to discuss this with your coaches, think it through carefully, and return your votes.

With this outcome, we will move forward with the tournament as we have done in the past.

Final Count	
Yes	No
11	8
58% of vote	42% of vote
Does Not Pass 2/3	

Two quick adjustments will be reviewed and approved at our November 12th meeting, now that we have a tournament manager in place and final tournament format plan:

- Moving the entire tournament to ECU for all rounds (Quarterfinals, Semifinals, Finals)
- Slightly adjusting the financial breakdown to reflect the anticipated sponsorship revenue associated with the dedicated tournament manager

Thank you again for your time and collaboration.

Warm Regards,

**Subject:** Region 11 Basketball – Super Region Tournament Proposal

Good morning,

I hope this message finds you well.

We are seeking a consensus vote on whether to move forward with the Super Region Tournament proposal and submit it to the KHSAA Board of Control for a final decision on November 13.

This vote is only on the proposed Super Region format. Each school should cast one vote after gathering input from both the boys' and girls' coaching staffs. A two-thirds majority is required for the proposal to pass.

Thank you for your time and input — have a great day.
