Esteemed Board Members,

I am seeking approval for a \$1,500.00 annual stipend to be added to the Extra-Service Salary Schedule for any Family Resource/Youth Services Coordinator who holds a master's degree or higher.

This stipend will be funded through the program's grant budget. The request was originally submitted prior to the approval of the salary schedule but was inadvertently omitted from the final version submitted in May 2025. Therefore, I am requesting that this stipend be added retroactively, effective July 1, 2025.

Thank you for your consideration of this correction and your continued support of the program.

Sincerely,

*Travis Gay*
