b. Good News Report

- i. Mr. Meyers spoke on our strong attendance for the quarter. We are up 1.5% from our attendance at this point last year. The committee commented on the favorable calendar. The frequent breaks are helpful for teachers and students alike.
- ii. Mr. Ratterman explained the Positive Behavior Competition that we are participating in along with our 2<sup>nd</sup> Energy Bus Rule-‘Fuel your Ride with Positive Energy.’

c. Public Comment

- i. No public comment.

2. Student Achievement Report/Data

a. Honor Roll/Super Honor Roll

- i. Mr. Meyers shared the students who were on Super Honor Roll and Honor Roll for the 1<sup>st</sup> quarter. He did comment on the concerning number of students on honor roll compared to last year. Though this may be because of the rigor of classes and higher expectations, we would like to see more students performing at a higher level.
- ii. Mr. Meyers also shared that the 22 sophomore students who took the SAT on a Saturday two weeks ago had an average composite score of 910- which is equivalent to around a 16 on the ACT. It isn’t where we want to end, but it is a solid start being that students are only sophomores.
