

Principal Report to the Board

November 18, 2025

Enrollment Update

We had one withdrawal this month due to a student moving out of state. Total enrollment is now 392.

Multi-Tiered Systems of Support

We have updated our school-wide assessment plan and behavior intervention pathways. Our STAT-A and STAT-B teams have been identified and meetings scheduled. Tier 1 PLC work will focus on organizing and aligning curriculum materials and developing a consistent approach to enrichment, advanced coursework, and accelerated instruction.

APS Advanced Coursework Plan

In accordance with HB190, a public-facing implementation plan has been developed to ensure access and opportunities for advanced coursework and accelerated instruction. Planning and preparation will continue through the spring semester with full implementation in ELA and math in August of 2026 and science and social studies in August of 2027. (Attachment: [Plan](#))

School Council

At the November school council meeting, we reviewed the process for Schedule Change Requests, HB 190 requirements, and approved committee membership. Miranda Celestre is our only nominee for the open parent position, so she will be our new parent representative starting January 1. (Attachment: [Agenda](#) & [Minutes](#))

Early Release Days

- November 7 - Book Study & Committee Roll-out
- November 14 - Report Cards
- November 21 - Behavior Intervention Process and SRSS Screener
- December 5 - MAP Analysis
- December 12 - Christmas in Anchorage

Human Growth & Development Family Engagement Event

Based on parent input, we will be planning an after school event to support our 4th and 5th grade students' understanding of adolescent growth and development. Parents will also attend and be provided with resources to support their children's physical and social-emotional development.

Upcoming Dates & Events

- November 19 - KSA Public Release
- November 20 - Thanksgiving Lunch
- November 20 - Rising Anchors
- November 25 - Fall Recognition Assembly
- December 1-5 - MAP Testing
- December 9 - Holiday Concert
- December 10 - Middle School Field Trip
