RE: November Board Agenda: Shortened School Day Requests

The following information summarizes student cases for which the parents and medical professionals have requested a modified attendance schedule for these students with disabilities. The students are identified by number in order to maintain confidentiality. There is documentation of medical necessity for the modified schedules, and the modified schedules have been recommended for approval by the Admissions and Release Committees (ARCs). Full documentation is on file in the office of Director of Special Education.

2526-02

This student has Autism, as well as complex medical and developmental needs, including an invasive and lengthy nutrition schedule utilizing a feeding tube for slow feed infusions. A doctor's statement was submitted recommending a shortened school day due to the student's needs in relation to neurology, gastroenterology, communication, and other complex conditions. An ARC meeting was held on 10/14/25, during which the implementation of a shortened school day schedule was approved: Monday through Friday, 1:00PM to 2:30PM. The modified schedule will be approved for the 2025-2026 school year and will be reviewed on or before the next IEP annual review date of 10/13/26.
