Emily Caudill, Regulations Compiler
Legislative Research Commission
702 Capitol Avenue, Room 83
Frankfort, KY 40601

Dear Regulations Compiler:

The Kentucky Department of Education has reviewed administrative regulation number 704 KAR 8:010, Kentucky Academic Standards for Computer Science, in its entirety for compliance with the current law governing the subject matter of this administrative regulation.

This administrative regulation shall REMAIN IN EFFECT WITHOUT AMENDMENT because it is in compliance with current governing law. The academic standards for computer science are in place to support quality computer science education and expand learning opportunities for all students while broadening access to critical and computational thinking through problem-solving skills. These standards are:

- Integrated in cross-curricular areas of study;
- Used for the creation and implementation of elective Computer Science courses;
- Incorporated in career and technical education pathway courses;
- Referenced in AP Computer Science Courses; and,
- Considered as demonstrated performance-based competencies in technology.

Sincerely,

Todd G. Allen
General Counsel
