

Principal Report to the Board

December 10, 2025

Enrollment Update

No enrollment changes this month.

KSA Data

Anchorage Public School has earned Blue status with positive change in most areas.

CSIP

The Comprehensive School Improvement Plan includes two required goals: Achievement Gap Reduction for Students with Disabilities and Combined Reading & Math Achievement. Goals are identified based on five-year trend data. Additionally, two priority areas were identified based on district needs assessment: Combined Science, Social Studies, & Writing and Quality of School Climate & Safety. A draft plan is attached for initial review and approval. Updates can be expected as Strategic Planning continues. (Attachment: [CSIP/CDIP](#))

Multi-Tiered Systems of Support

Behavior intervention plans are drafted with implementation ready to begin in January.

APS Advanced Coursework Plan

Consider attached plan for Board approval (Attachment: [Plan](#))

School Council

At the December school council meeting, we reviewed KSA, CSIP, and SRSS results. We thank exiting representatives Amanda Matter, Kristy Crouch, and Brian Jones for their service. (Attachment: [Agenda](#) & [Minutes](#))
