General notes:

1. Phase 1 classrooms are complete and turned over to the school for occupancy. Only remaining work to be completed is installation of new/replacement windows and the decorative 3-form panels at the top of the dividing wing walls. This work will be performed over the Christmas break
2. Phase 2: One classroom has been turned over to the contractor to begin demolition. The second classroom is scheduled to be turned over to the Contractor by 12/10.

Division 01: General Requirements

01.01:

Division 02: Existing Conditions & Demolition

02.01: Demolition has begun in what will be the new media center with removal of the flooring and wall mounted items.

Division 03: Concrete

03.01:

Division 04: Masonry

04.01: Ground face corridor walls on new addition are approximately 60% complete.

Division 05: Metals

05.01: Installation of structural steel and roof joists for new addition is approximately 90% complete.

Division 06: Wood, Plastics, and Composites

06.01: All millwork installation is complete in the Phase 1 areas.

Division 07: Thermal and Moisture Protection

07.01: *Replacement of existing roofing over the existing building is approximately 75% complete.*

Division 08: Openings

08.01: *New/replacement windows for the Phase 1 classrooms to be installed over the Christmas break.*

Division 09: Finishes

09.01: *Finishes in Phase 1 areas are complete*
