**Attendance Tracking Data Sheet** - [HERE](#) This sheet breaks down attendance by month, week, and school, and provides an overview of district-wide attendance. I will update this document every Friday.

The **BASE teams** will continue to meet monthly, and I will share data and trends from these meetings during our district MTSS sessions. Subgroups of the BASE team also meet biweekly between full meetings to ensure we are consistently reviewing data and identifying any barriers affecting our students and families. Ms. Hicks has asked Kelly Savicki to observe our next round of BASE team meetings to provide feedback on the process. We are looking forward to growing in this area.

**WOO Award** (Welcoming Outstanding Organizations Award): This initiative aims to highlight and acknowledge businesses and organizations that partner with our school district. The organization we are recognizing in December is Bellevue Gold Star.

The **2026–27 Academic Calendar Committee** held a meeting on December 8th to review feedback from all stakeholders on the six options that were created. We are recommending calendar option #3 to the board for the first reading and hope to approve the calendar at the January meeting. I am so appreciative of the volunteers who served on this committee to select the best option focusing on student success.

**Tigers Read** will meet again next Friday, December 19th. This will be their Christmas celebration. After the holiday break, we will continue to meet every other week and focus on their guided reading/decodable text that correlates with the Wonders reading series.

## **FRYSC/YSC District Contact Update**

There are many amazing things happening in both of our buildings, and we are fortunate to have Gabby Schwaninger and Danielle Carr.

### **GES/BMHS - Report provided by Gabby Schwaninger & Danielle Carr**

Both centers are actively preparing for the upcoming holiday season to ensure that families and students receive the support they need. Approximately 90 families were supported for Thanksgiving, and Christmas efforts are progressing well, with about 90 families and nearly 200 students receiving gifts. The Santa Shop at Grandview Elementary is currently underway, and students are excited to shop for special people in their lives. In addition, a dental clinic was held at Bellevue Middle/High School, serving approximately 40 students over three days. Final holiday support numbers will be available to share in January.
