- Thank you for allowing us the opportunity to showcase the KSA celebrations last month. We're excited to keep the momentum going and stay the course!
- We are in the second round of MAP Testing at both schools and iReady @ GES. I will include a grade level summary in my January report. ***Thank you to our building assessment coordinators, Ms. Paff and Mr. Forshey, for all of their work and time planning and executing a smooth testing window!***
- The phase three CSIP / CDIP documents are attached to this report for your approval. These will be submitted to KDE after your approval.
 - GES CSIP, BMHS CSIP, and BISD CDIP
