December 2025

INSTRUCTION

Academic Information

- We had a great week celebrating our students who scored proficient/distinguished on the KSA last year or all distinguished. That will continue this coming week with a pizza party for all of the students that qualified. We had 12 high school students, and 13 middle school students that scored proficient/distinguished on all parts of the KSA. We also had 2 high school students that scored distinguished on all parts of the KSA.
- We have completed our Winter MAP testing. This is a benchmark test given to all students in Grades 6-11 in math, reading, and science. We are very pleased with the early returns on our progress. We will have more indepth information to share in our January Board report.
- Our January intervention groups will be based mainly off of our Winter MAP data.
- Our ESS program is up and running. We have 1 teacher working Monday, Tuesday, and Thursday giving students time to do missing work or to make up an assessment they missed. The rest of the schedule is as follows:
 - Monday - Edgenuity, Credit Recovery, HS Science, HS English, and 6th Grade Science
 - Tuesday - Edgenuity, Credit Recovery, HS Math, MS Math, and 7th Grade Science
 - Thursday - HS Social Studies, HS English, MS Math, 8th Grade Science
