

# Magic School in the KCS D

**2025-2026**

# Why focus on AI?

## Our Mission

The mission of the Kenton County School District is to provide a world-class education ensuring ALL students are **transition ready** and prepared for the 21st Century Economy.

## Our Goals

**100% transition readiness**  
**92.5% attendance rate**

According to the World Economic  
Forum's *Future of Jobs Report, 2025*

**"86% of employers expect AI and information processing technologies to transform their business by 2030."**

**"...half of executives worldwide highlight a lack of skills to support [AI] adoption as the top barrier"**

**"...69% of respondents plan to recruit talent skilled in AI tool design and enhancement, and 62% anticipate focusing on hiring individuals with skills to work with AI"**

**68% of employers in the United States that were surveyed say they will intentionally be hiring new employees "with skills to better work alongside AI."**

# How is it being used?

## Teachers

**Creating questions  
for formative  
assessments**

**Assisting teachers in  
analyzing student data  
results to design future  
instruction**

**Assisting Special  
Education teachers  
in writing IEP goals**

## Students

**Use chatbots that can  
act as characters or  
historical figures**

**Use chatbots as tutors  
to help them study for  
assessments**

**Use chatbots that  
provide students  
feedback on their writing**

## Administrators

**Assisting in analyzing  
student data to  
determine school needs**

**Using chatbots to write  
emails, memos, etc. more  
efficiently**

**Creating chatbots for staff  
use to “chat” with school  
documents in order to find  
information quickly**
