

Good News Report Lincoln Elementary School December 2025

❖ **Our continued partnership with *The Reading League***

- ✓ Our TRL Coach Stefany continues to meet with teachers virtually either individually or in teams. They are also providing intentional trainings and support during early-release Wednesday sessions.
- ✓ We are focusing school-wide on our EXPLICIT INSTRUCTION strategies! These strategies help to engage ALL students through-out their learning lessons. We are using are learning from our November 4th professional learning training to guide us in this work. Coach Stefany is also working with us.

❖ **Attendance Matters** – Our intentional efforts to encourage attendance continues here at Lincoln. With our Educate NKY Grant funds, we were able to randomly select one grade level student winner from the first quarter who met their quarterly attendance goal. Each student PLUS their family were treated to a family meal at Hometown Heroes. It was special getting to treat the entire family for their strong attendance efforts!

❖ **Scripps Howard Book Fair** - For the 9th consecutive year, the Scripps Howard Foundation and WCPO have gifted us with two Scholastic Book Fairs for our students for this school year. The fairs will be held in January 2026 and April 2026 with every preschool through kindergarten student receiving FIVE free books of choice from EACH of these book fairs. This continues to be such an amazing gift that we are incredibly grateful to receive.
