I am reaching out to see if you can send me what our price is per gallon based on OPIS. Also if you could send me the taxes that would be great.

Thank you

Karen Donovan

Good morning,

Your margin over the OPIS/Lexington/Day of Delivery/Average is -.0116.

As of yesterday, that all in price was \$2.6042.

Taxes are currently:

- Federal LUST .0010
- Federal Oil Spill .00214
- Federal Superfund .00405
- State Motor Fuel .2200
- State Environmental .0140

Best Regards,

Joe Vanderpool
