Dear Parents/Guardians: This report card for the 2009-2010 school year contains important information about our school, including the details about our academic performance, teacher qualifications, learning environment, and more. For a more detailed look at our district, please go to <http://www.education.ky.gov> and select School Report Cards on the blue navigation bar to the left of the homepage.

About Our District: Teachers, administrators, and support staff care about our school district and go above and beyond in servicing the students of Gallatin County Schools. Our district has grown in the last several years and we now have 1681 students in preschool through grade 12. A comprehensive academic program is offered as well as extra-curricular activities to all students. The learning potential is enhanced by the delivery of great instruction and dedicated staff. Our district is a rural community along the Ohio River and within one hour of Lexington, Louisville, and Cincinnati. We offer a welcoming atmosphere and challenging coursework for students. "Maximizing Student Learning and Achievement" defines our mission to educate young people. Our academic coursework, extracurricular activities, and athletic programs reflect our belief that everything we do is student-centered.

How We Ensure Educational Equity: To ensure that all students will achieve at a high level regardless of race, gender, socio-economic status, or disability, student needs are assessed at each building level. Each school analyzes its assessment data to identify unmet needs and find ways to serve all students. The district as well as each school implements an improvement plan to eliminate differences in academic performance disaggregated by race, gender, socio-economic status, and special populations. All students are given equal opportunity to participate in academic as well as extracurricular activities.

How We Are Doing

Kentucky's Interim School Testing and Accountability System has three parts: the Kentucky Core Content Tests (KCCT); readiness tests by grade level; and other measures of a school's performance, including attendance, retention and dropout rates. This interim system will be replaced in the 2011-12 school year by a new testing and accountability system structured as required by statute. The goal is that, by 2014, nearly all students will score proficient or distinguished in every subject area tested.

Norm-Referenced Test: The ITBS scores are not part of state or federal accountability. The assessment is for diagnostic purposes only. The school and district scores are reported publicly using national percentiles (Percentile Rank of Average Standard Score: National Student Norms). Each national percentile shows a student's performance compared to other students who took the assessment at the same grade level and same time period—fall, mid-spring, or spring as compared to the 2005 norming group.

Readiness Assessment: 8th and 10th grade students in Kentucky are being given assessments by ACT, Inc, to predict high school and college success and indicate progress. 8th graders are given EXPLORE and 10th grade students are given PLAN. For further information on this test and the other components of the Educational Planning and Assessment System (EPAS) go to the KDE homepage (<http://www.education.ky.gov>) and select School Report Card from the blue navigation bar.

Other Measures: The third component of the Kentucky Testing System is our district's performance in attendance, retention*, dropout rate, and for successful transition to adult life. Data in these tables reflect our performance during the 2008-2009 school year.

* The percent of students who had to repeat the grade.

NAEP: The National Assessment of Educational Progress (NAEP) is also known as "the Nation's Report Card". NAEP has been conducting assessments since 1969 and is the only national assessment of what "America's students know and can do" in various subject areas. NAEP does not report scores for individual students or schools. NAEP bases its results on a sample of students and provides data at the state and national level.

School Safety: Here is what we are doing to make our school safe for our students.

Visitors are Required to Sign in	All Parents Received the District Discipline Code	% Classrooms with Outside Line
Y	Y	100.0%

Violation	# of Reported Incidents	# of Students Suspended	# of Students Expelled
1st Degree Assault	0	0	0
Drug Violation	4	4	0
Weapons Violations	0	0	0

Procedures in Place in Our School for Drug and Weapons Detection:

Suspensions of drugs and weapons are reported to principals for disciplinary actions. A Resource Officer, local police officers and metal detectors are readily available when needed. Students and parents are given a handbook of related policies. Administrators carry cell phones for immediate communication and are trained in crisis management. Visitors are required to check in at school offices. Security cameras are installed for monitoring hallways, gyms, and grounds.

How We Use Technology To Teach:

Students have the opportunity to use the internet to research topics to support their learning. Students utilize digital cameras, classroom computers as well as laptop computers for learning. Staff also utilizes technology to enhance their instruction with the use of whiteboards and projectors. They have laptop computers to instruct, communicate with parents through email and maintain grade reports and IEP's. Schools utilize technology-based programs and on-line classes.

ACT Testing: The ACT is America's most widely accepted college entrance exam. It assesses high school students' general educational development and their ability to complete college-level work. The multiple-choice tests cover four skill areas: English, mathematics, reading, and science. All Kentucky Juniors are required to take the ACT. The chart below shows both 11th grade and graduating Senior ACT scores.

Awards & Recognitions: Students are recognized for attendance, behavior, art talent, academic achievements, Student-of-the-Month, and -of-the-Year. More than sixty-five percent of our graduates receive college scholarships. Seven teachers are certified by the National Board of Professional Standards. Seventy-seven percent of our teachers in the district have a Masters or Rank I certification. Renee Cameron received the Kentucky CEC Special Education Outstanding Administrator of the Year.

What We Are Doing To Improve: The District continues to support staff professional development to improve student achievement. Through Literacy First strategies, analysis of data, Extended School Services, the Comprehensive Improvement Plans, and technology, student achievement continues to excel. The staff and administration work with community members as well as our parents to impact student achievement.

For Further Information: To locate further data concerning this school and the district, please go to the Kentucky Department of Education homepage at <http://www.education.ky.gov>, and select School Report Card from the blue navigation bar at the left of the screen. Next, select Expanded Data and you will see a selection of reports offering a wealth of detail about the school and district and their programs. For even more information we suggest that you visit the school or district office and talk with the staff and faculty.
