**Consent Agenda Item (Action Item):**

Approve the purchase and implementation of Renaissance Learning instructional programs, including Nearpod and Flocabulary, for use at May Valley Elementary School from January 2026 – January 2027 school year.

**Applicable State or Regulations:**

BOE Policy 01.11

**Fiscal/Budgetary Impact:**

The cost of the Renaissance Learning programs, including Nearpod and Flocabulary licenses, will be covered through designated instructional funds and/or school-based allocations. No additional district funding requested at this time.

**History/Background:**

May Valley Elementary School is requesting approval to utilize Renaissance Learning digital instructional resources, specifically Nearpod and Flocabulary, to enhance classroom instruction and student engagement across grade levels. These platforms provide standards-aligned lessons, interactive content, formative assessments, and multimedia resources that support diverse learning styles and promote active participation.

Nearpod offers interactive, teacher-led lessons with embedded assessments, real-time feedback, and student collaboration opportunities. Flocabulary uses music and culturally relevant content to reinforce academic vocabulary, comprehension, and critical thinking skills across content areas.

The implementation of these resources aligns with Floyd County Schools' commitment to high-quality instruction, student engagement, and data-informed teaching practices. These programs will support teachers in delivering rigorous, engaging lessons while addressing the needs of all learners.

**Recommended Action:**

Approve the purchase and implementation of Renaissance Learning programs, including Nearpod and Flocabulary, for instructional use at May Valley Elementary School.
