Now, therefore, in consideration of the mutual understanding and covenants herein expressed, the parties do hereby agree as follows:

**Description of the Program:** Dual enrollment of South Oldham high school senior students in Galen’s 2 Year associate degree Nursing (ADN) Program. Students will complete the online/virtual arts and science requirements of the program. All South Oldham students will be required to meet Galen’s admission, progression, and program participation requirements as published in the *Student Catalog*.

**Performance by Affiliate:** Affiliate shall work with Galen to create and make available to students marketing materials that describe and provide prospective Galen students with all relevant information regarding the ADN Program, including South Oldham High School requirements for participation in this program.

**Performance by Galen:** Galen shall provide the content, instruction, and academic oversight of the above-mentioned program. Galen shall also conduct all necessary public relations activities designed to enhance and further the status and reputation of the Galen and South Oldham High School relationship. Galen shall also provide a local liaison as a primary South Oldham High School contact and resource.

**Cyber Security:** As Galen maintains control over dual enrollment classes, and digital resources for dual enrollment classes, Galen is responsible for South Oldham High School student information enrolled in dual enrollment courses while using Galen chosen digital resource vendor, including maintaining the security of that information. Galen shall indemnify and defend South Oldham High School from any claims related to unauthorized access to South Oldham High School student information through Galen system or through any digital resource vendor or software provider required for any Galen courses.

**Terms of MOU:** This MOU shall be effective as of the date indicated above and shall remain in effect for three years or until terminated by either party. Either party may terminate this MOU with thirty (30) days written notice. In the event this MOU is terminated, any and all students enrolled in any of the Programs at the time of termination will be permitted to continue their studies and complete the Programs under the terms specified in this MOU. This MOU contains the entire understanding of the parties and replaces all other agreements or understandings, written or verbal, which may be in effect between the parties relating to the subject matter herein this MOU.

**Payment Structure:** Students will be assessed tuition and fees at current Galen rates. Galen has the option for direct billing if requested by Affiliate.
