Dear Business Owner and/or Community Partner,

Todd County Middle School is excited to offer a unique opportunity for local businesses to support our students while gaining positive community exposure. Our Digital Media program is growing, and we are currently exploring the purchase of Hudl, a professional-level video and broadcasting platform. This tool will allow our students to enhance their broadcasting skills, produce high-quality live streams of sporting events, and create engaging content for our daily news show, The Rebel T.

By supporting our program, your business can help us provide students with real-world experience in journalism, media production, and digital communication — skills that prepare them for future careers while fostering teamwork and school pride.

We are seeking community partners to support the growth of our Digital Media and Broadcasting Program at TCMS. In return for your sponsorship, your business will receive recognition across our school news, broadcasts, and media platforms. Sponsorship levels include:

- **Bronze \$100 (1 semester)** – Your logo displayed once per week on The Rebel T news that is showed daily at TCMS through our YouTube channel (@The\_Rebel\_T).
- **Silver \$250 (1 semester)** – Your logo displayed multiple times per week and mention in social media posts.
- **Gold \$500 (1 semester)** – Logo displayed on all daily news segments and live broadcasts of sports for one season of your choice.
- **Platinum \$1,000 (Full Year)**– Logo prominently displayed on all broadcasts, news, and school website; recognition in school announcements and sporting events.

We would love the opportunity to discuss how your business can support our students while gaining visibility in our community. Please feel free to contact me at [mary.skipworth@todd.kyschools.us](mailto:mary.skipworth@todd.kyschools.us) or (270) 265-2511 to explore sponsorship options or schedule a time to see our Digital Media program in action.

Thank you for considering this opportunity to invest in the future of Todd County students and our local community.

Sincerely,
