

## **Greater Cincinnati STEM Collaborative Education Grant**

### **2025- 2026 Grant Terms**

**GCSC will provide the following resources to Beechwood Independent Schools -**

**STEM Bicycle Club:** professional development, STEM Bicycle Club curricula, bicycles, helmets and locks for the participating students (up to 20), and attendance to the STEM Bicycle Club Celebration on Saturday, May 9th , 2026.

To maximize the quality of this program, in 2025 - 2026 and in future years, GCSC expects club leaders to: 1. participate in a region-wide learning community and 2) participate in the post-program evaluation process that includes post-program student and leader surveys, and an in-person debrief meeting. *Note that your club teacher will not receive a stipend from GCSC if they and club students do not participate in the program evaluation process that includes post-program student and teacher surveys and in-person debrief meeting.*
