

Special Education and Preschool Board Report

January 2026

- 1. The Preschool Students put on a fabulous show for the residents at Highland Meadows! The director stated the residents started asking in November if our students were returning this year. The staff at Highland Meadows served our students cookies and juice after their performance.**

2. Afterwards our students enjoyed lunch at Jot India in Newport. The owner asked if the students could perform a song or two for guests and of course our students said yes! Jot India put a wonderful post on their Facebook page about our students. I encourage you to watch it! The owner enjoyed our students so much that he called later in the day to say he had refunded the cost of all student meals.

3. **Preschool students performed for their parents and families the evening of December 19th. A great time was had by all!**

A HUGE thank you goes to Mrs. Scott and Mrs. Missy for all the hard work they put into this special event every year!

4. **The next Preschool Parent Club will be on Thursday, January 29th from 5:00-6:30pm.**

Each month parents are invited to participate in the Parent Club led by Mrs. Scott. During each Parent Club, Mrs. Scott shares information on the curriculum and strategies being used in the classroom and explains and teaches parents how they can implement the same strategies at home. The Parent Club also offers parents a safe place to talk about concerns they have regarding student behavior and/or development.

5. **Shout out to Mrs. Scott!! She submitted a project to Donors Choose for sensory lighting items for the preschool classroom. The project has been fully funded, and the items are now being utilized in the classroom.**

Give Courtney Scott a high five! Her classroom project "[Sensory Lighting](#)" was recently funded.

The resources for this project will arrive soon, and we hope you'll pitch in to make sure they reach Courtney Scott's classroom safely:
