Dance Dance Revolution Floor Plates	Kenwood Station Elementary	2	Two Dance Dance Revolution style floor plates were given to me by the PE teacher. She says she has never used them in all her time at KSE and that they've been in storage for years. The asset does not show up in IQ and only one of the two has an asset tag. They are not used and outdated.	19584	None Found	PE dancing unit	Not used, out of date, not functional.	Recycle
