Staff Development

MCPS had a district-wide Staff Development Day at Marion County High School to start the new semester.

Facilities

The new parking lot on the main campus is now in use. Later this year, the parking lot will get another layer of asphalt.

Peak Moments

LMS recently had its Rewards Day. Students were recognized for a variety of achievements and then took an Honor Walk around the school, followed by a Musical Chairs competition in the school's gymnasium.

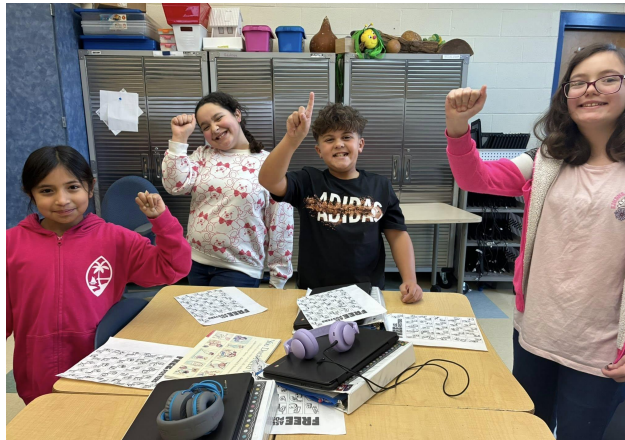

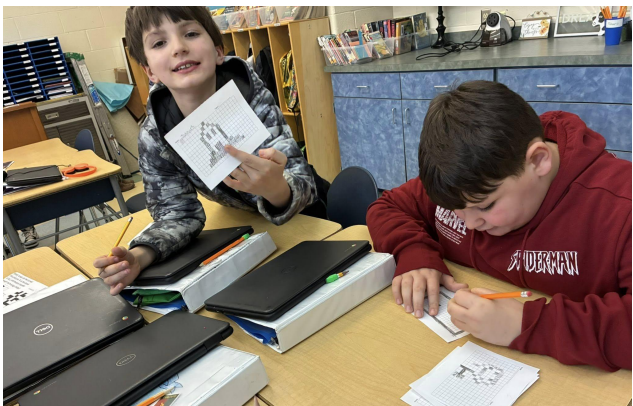

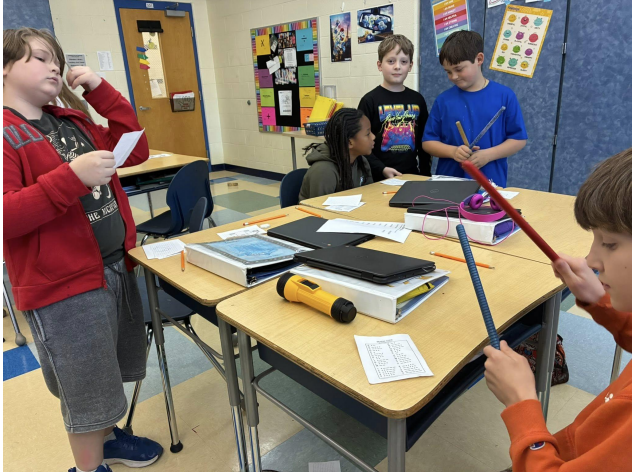

Peak Moments

MCHS Assistant Principal Matt Hicks worked with the school's JAG class to help build a Blessings Box, which will be placed in the community to provide assistance to families in need.

Peak Moments

GES students in Mrs. Burke's science class studied braille, binary, Morse code, and decision trees while learning about transferring information.

Peak Moments

LES students in Mrs. Pierce's science class conducted an experiment on the transfer of heat using hot and cold water and thermometers to record temperatures.

Peak Moments

SkyDome Planetarium visited GES and set up their inflatable planetarium in the school's gym.

Student Success

Eight MCHS juniors were selected to have their GSP applications sent to the statewide selection competition. They include:

Ellie Akers
Harper Blake
Kenneth Lanham
Addison Logsdon
Max Phillips
Mckenzie Raley
Greyson Rucker
Landon Spalding

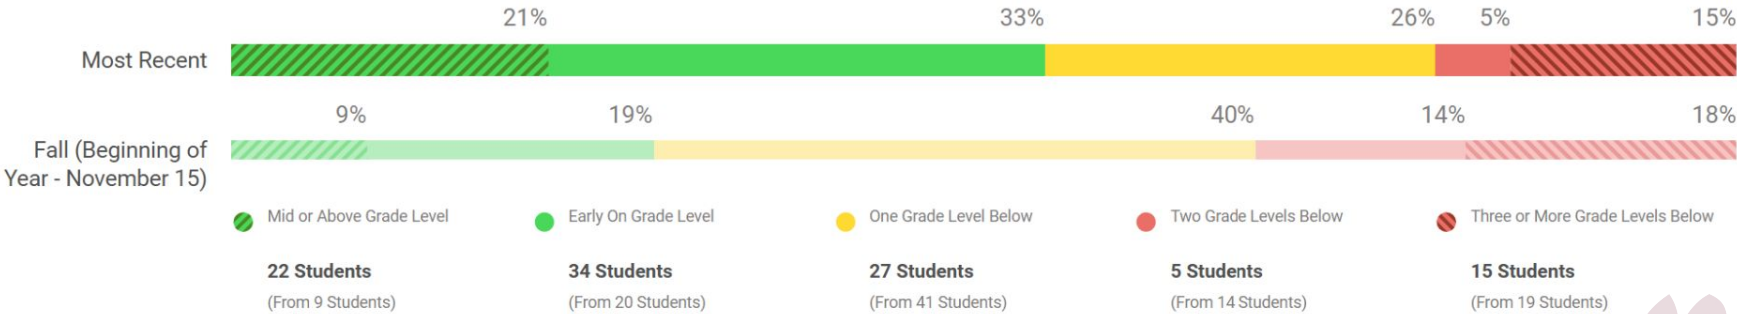

Teacher Success

LMS teacher Alyssa Followay’s students showed significant growth on the most recent assessment data with a 12% improvement in students testing at mid-to-above grade level.

Overall Placement

Students Assessed/Total: 103/107

Teacher Success

COX

FARMER

TAYLOR
