Commissioner Tackett,

In October, I distributed an application to the membership to find courses interested in hosting the state golf first round event in future years. The application was sent to Athletic Directors and Golf Coaches and had a deadline of November 7 for any submissions. As of today, we have received responses from 12 courses.

The applications were shared with McKenzie Peyton, Golf House Kentucky's Director of Junior Golf, to get her feedback and discuss options. With that in mind, I present the following recommendations for approval:

Site 1 (Regions 1-4)

2026 – Bardstown CC; 2027 – Owensboro CC; 2028 – Hopkinsville CC

Site 2 (Regions 5-8)

2026 – Kenton County GC; 2027 – Shelbyville CC; 2028 – TBD

Site 3 (Regions 9-12)

2026 – Boone's Trace GC; 2027 – StoneCrest GC; 2028 – Winchester CC

Respectfully,
