

Dear Members of the Bourbon County Board of Education,

I am writing to respectfully request permission to take three Bourbon County Middle School FFA members: Clara Fritsch, Wyatt Hogan, and Weston McFarland, to attend the Kentucky FFA Missions Conference at Eastern Kentucky University.

The conference will take place on Friday, January 23rd, through Saturday morning, January 24th, and will require an overnight stay. We plan to stay at the Hampton Inn in Richmond, Kentucky.

This trip will be free of cost for the students. The Kentucky FFA Missions Conference is organized by Kentucky FFA State Officers in collaboration with National FFA leaders and provides students with valuable leadership development opportunities. Participants will gain experience in public speaking, improve their communication skills, learn ways to strengthen their local FFA chapter, and connect with other FFA members from across the state.

This opportunity supports our mission of developing premier leadership, personal growth, and career success in our students. We appreciate your continued time, support, and dedication to providing high quality youth education and leadership opportunities for Bourbon County students.

Thank you for your consideration.

Sincerely,

*Ms. Jenna Thompson*
