

Dear 2025/2026 APS School Board Members:

I hope this message finds you well. The APTA is excited to once again host a fun and engaging auction evening for our community on March 7 at Owl Creek Country Club.

I would like to extend my sincere gratitude to the APS Board for its generous donation last year, which included waived student fees for up to two students as well as one complimentary summer camp program. This contribution made a significant impact, and we are truly grateful for your support.

With that in mind, I am writing to ask whether the Board would be willing to consider a similar donation for this year's auction. Below is the link where donations may be submitted:

<https://one.bidpal.net/aptaauction2026/donate-item>

If it would be helpful, I would be happy to submit the donation on the Board's behalf once approved; we would simply need confirmation of the overall value. Thank you once again for your continued support of the APTA and our community. We sincerely appreciate your time and consideration.

Best regards,

Sadie Durbin
APTA Auction Chair
